Important Notes for Fiscal Year 2018-2019 Reporting:

1. Please be advised that these figures only cover grants and contracts reviewed and submitted through the Office of Research & Sponsored Programs.
2. "Awarded" dollars are those as stated on received award documents, from which grant account budgets are constructed, and thus were dollars available for expenditure in FY 2018-19. The Cumulative Awards totals include (1) new awards, (2) renewals of existing multi-year awards, and (3) program income generated from existing awards. Those three types of awarded monies are reported separately in the following tables. Actual grant expenditures in FY 2018-19 are available through Sponsored Programs Administration, pending final annual audits.
