**Subject:** JHBC Leadership Announcement

Dear Colleagues,

It is with mixed emotions I share with you that Lawrence Rose, dean of the Jack H. Brown College of Business and Public Administration, has announced his retirement from Cal State San Bernardino, effective July 31, 2021.

Larry has played a central role in our academic administration since joining CSUSB nearly 10 years ago. He has led college initiatives in areas critical to the university's mission and strategic plan, and enhanced the college's culture of excellence, collaboration and innovation both across our campus and in the larger community. Under his leadership, the college has received numerous top rankings and earned accreditation from the Association to Advance Collegiate Schools of Business International, the highest standard of achievement for business schools worldwide. Please join me in thanking Dean Rose for his service to CSUSB and the community at large, and in wishing him the best in retirement.

A national search for this position will begin in fall 2021. In the meantime, I am delighted to share that Professor Emerita Shanthi Srinivas will serve as interim dean of the college for a one-year term. Shanthi has served in various administrative and faculty positions for more than 30 years at Cal Poly Pomona, most recently as presidential fellow for Leadership Excellence for Institutional Development. She brings extensive experience in leadership training, faculty development, budget management, enrollment management, strategic planning and assessment, and was instrumental in successfully leading the college through the AACSB accreditation process.

Shanthi, who holds a Ph.D. in Business Administration, will join our campus community on Aug. 1. Please join me in congratulating and welcoming her.

Regards,  
Shari
