California State University San Bernardino
School of Computer Science and Engineering

**CSE 482 Senior Project Presentation**

## Date

June 14, 2019

## Time

2:00 P.M.

## Location

JB 359

## Title

AnyTrek QuickBooks

## Student

Joey Ngo

## Advisor

Dr. Owen Murphy

## Abstract

AnyTrek wants to connect two websites to correspond using QuickBooks in order to comply because it is a program that they are already using but separately.
