

Kinesiology Safety Acknowledgement

Before Spring 2023 Registration begins, anyone taking a KINE course needs to complete the Kinesiology Safety Acknowledgement form. Students will not be able to register for classes unless this is complete.

1. Go to <https://csusb.edu/kine-safety>

2. Select "Create New"

Below the header, the page title is "Kinesiology Class Safety Information Acknowledgement". There is a "Coyote ID" field with a blue box. Below that is a paragraph of text: "In compliance with Environmental Health and Safety Standards, all students enrolling in Kinesiology courses must acknowledge the safety information provided. Select 'Create New' to review the information and submit the acknowledgement. Acknowledgements are good for one academic year (Fall-Summer)." Below the text is a "Create New" button with a blue arrow pointing to it from the right.

No safety form has been submitted.

3. Select the current Academic Year, read safety information and push "Submit". This acknowledgment is good for one academic year. A new one will need to be submitted before each Fall registration.
