Please come and participate! These workshops are sponsored by the Louis Stokes Alliance for Minority Participation (LSAMP) and they are open to everyone.

If you are a LSAMP eligible student and you are also majoring in Mathematics, Physics, Geology, Chemistry, Biology, Pre-Engineering or Computer Science, we encourage you to ask your workshop facilitator about the benefits of joining the LSAMP program, including stipends associated with attendance at LSAMP workshops and selected lab courses.

Please see the LSAMP program link above for eligibility criteria.

For questions or further information, please contact Dr. Lynn Scow or Dr. Shawn McMurrin.
