

College of Natural Sciences
Department of Kinesiology

Dear Lab Tech Internship Student Applicant,

Our two large laboratories in the Kinesiology Department at California State University, San Bernardino are located in HP 119 (Human Performance Lab) and HP B04 (Biomechanics Lab). As a student you are required to complete at least 5 hours per week over the 10-week quarter to fulfill your requirement for KINE 493 course (not required to take it).

Throughout the quarter you will gain experience working with the student lab technician in one of the labs listed above. The types of activities you will be involved with include but are not limited to: learning about new equipment, learning how to calibrate new equipment, understanding the purpose of the tests and procedures, and lab maintenance.

If you are interested in this internship, please prepare the following documents and information seen below and submit all materials at this [link](#).

- Contact info
- Schedule availability for quarter applying
- Answers to a few questions (see below)
- 2 References
- Cover letter and Resume

Please feel free to ask any questions and we look forward to your application.

Sincerely,

Nicole C. Dabbs, Ph.D.

Associate Professor
Department of Kinesiology
California State University – San Bernardino
5500 University Parkway, HP 210
