### Additional Resources

**MyCAP:** MyCAP is a new function within the MyCoyote Student Center that allows you to make a program plan for up to 4 years, selecting courses for each semester. It allows you to browse all the courses necessary for degree completion and switch them to different terms for easy planning. https://www.csusb.edu/advising/students/advising-tools/mycap

<u>Schedule Planner:</u> Schedule Planner is a new function within the MyCoyote Student Center that will generate potential schedule options when selecting courses to enroll in for the upcoming term. The Schedule Planner helps generate schedules around certain time frames such as work hours, athletic practice, study labs, etc. <u>https://www.csusb.edu/advising/students/advising-tools/schedule-planner</u>

<u>Bulletin.csusb.edu:</u> Here one can find the university's laws, rules, policies, programs and course descriptions.

**Overloads:** In order to be considered to carry more than the maximum units allowed, a student must be eligible by having both a grade-point average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better.

<u>Simultaneous Enrollment:</u> If a student is registering for classes at CSUSB whose meeting times overlap, a petition for simultaneous enrollment must be completed.

https://www.csusb.edu/registrar/registration/simultaneous-enrollment

**Concurrent Enrollment:** A student in good academic standing at California State University who has completed at least 12 semester units of work at the university, and who is eligible to register as a continuing student for the subsequent term, may enroll concurrently at another college.

Liberal Studies and PALS Studio & Student Lounge: Located in COE-114, the PALS Studio offers peer mentoring and faculty advising for Liberal Studies majors. Check our website to review all the student services we offer. https://www.csusb.edu/liberal-studies

Student Success Studio at PDC: The Student Success Studio (S3) at PDC is committed to assisting students in reaching their academic goals. Primarily a place for instructional support, such as tutoring, workshops and study sessions, the Student Success Studio is also a great place for students to work with their peers in other social capacities, like taking advantage of our "virtual" workstations, small group meeting spaces, and educational technology. S3 is an active and lively space filled with students helping students.
