Additional Resources

MyCAP: MyCAP is a new function within the MyCoyote Student Center that allows you to make a program plan for up to 4 years, selecting courses for each semester. It allows you to browse all the courses necessary for degree completion and switch them to different terms for easy planning.

Schedule Planner: Schedule Planner is a new function within the MyCoyote Student Center that will generate potential schedule options when selecting courses to enroll in for the upcoming term. The Schedule Planner helps generate schedules around certain time frames such as work hours, athletic practice, study labs, etc.

Student Success Studio at PDC: The Student Success Studio (S3) at PDC is committed to assisting students in reaching their academic goals. Primarily a place for instructional support, such as tutoring, workshops and study sessions, the Student Success Studio is also a great place for students to work with their peers in other social capacities, like taking advantage of our "virtual" workstations, small group meeting spaces, and educational technology. S3 is an active and lively space filled with students helping students.
