Additional Resources

MyCAP: MyCAP is a new function within the MyCoyote Student Center that allows you to make a program plan for up to 4 years, selecting courses for each semester. It allows you to browse all the courses necessary for degree completion and switch them to different terms for easy planning.

Schedule Planner: Schedule Planner is a new function within the MyCoyote Student Center that will generate potential schedule options when selecting courses to enroll in for the upcoming term. The Schedule Planner helps generate schedules around certain time frames such as work hours, athletic practice, study labs, etc.
