

The background features a dark blue gradient with a large, semi-transparent circular scale on the left side. The scale has numerical markings from 150 to 260 in increments of 10. Several circular arrows and dashed lines are scattered across the background, suggesting a technical or scientific theme.

M.A. IN INSTRUCTIONAL DESIGN AND TECHNOLOGY

EUN-OK BAEK, PH.D

PROFESSOR

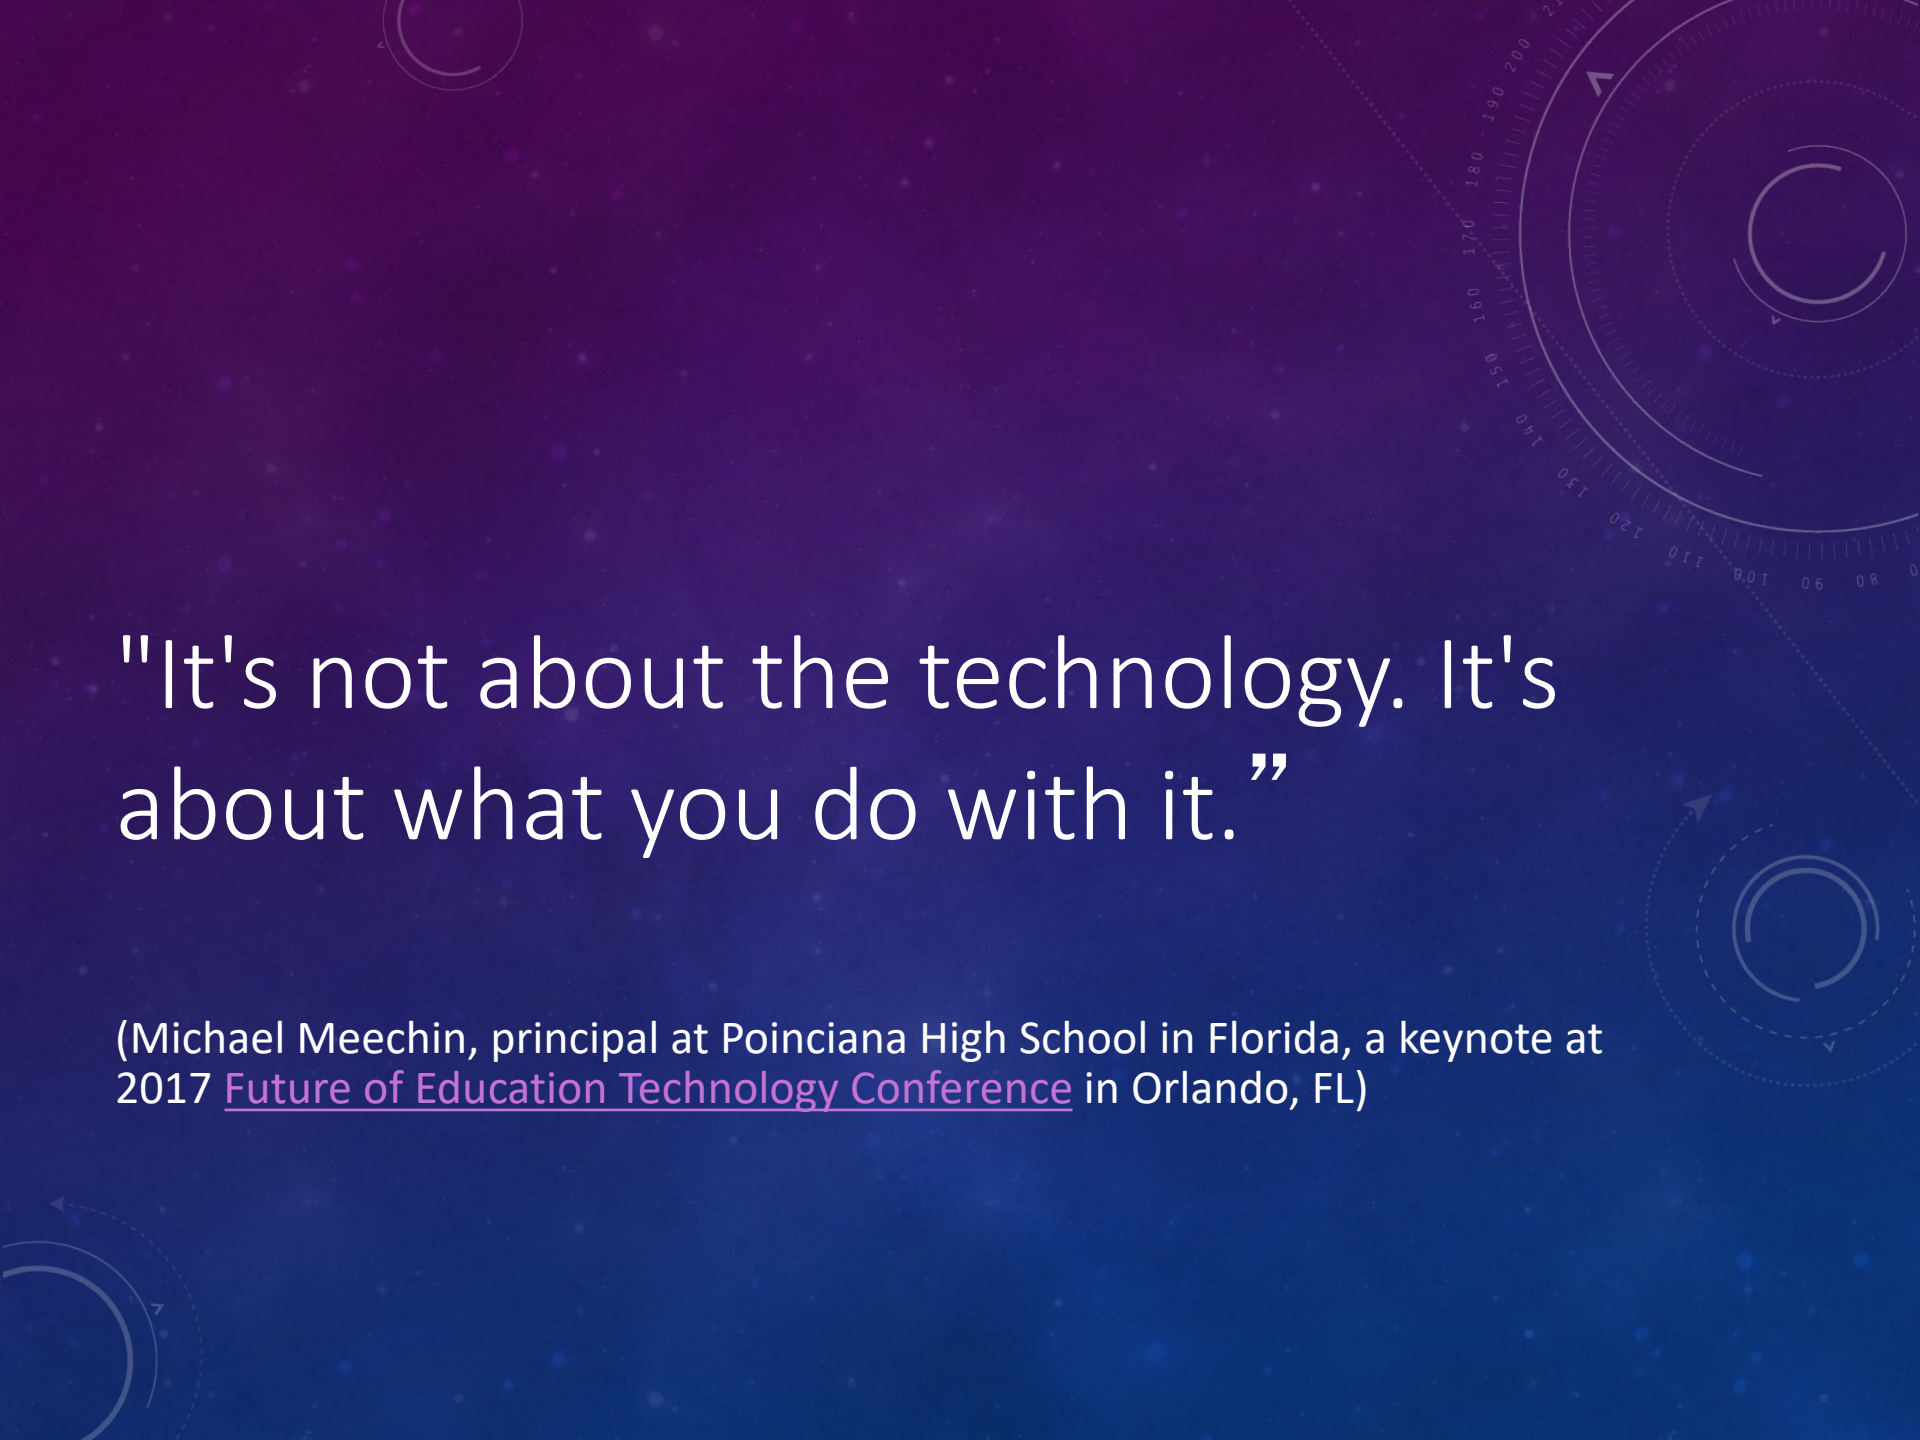

INSTRUCTIONAL DESIGN AND TECHNOLOGY

IDT PROGRAM

- To prepare professionals to improve their learning and performance applying a systemic and systematic instructional design process with the effective use of technology.
- The program values life-long, independent, and collaborative learning that fosters leadership for change.
- Etec.csusb.edu

MISSION OF THE IT PROGRAM

- The M.A. in Instructional Design & Technology is designed to meet the needs of technology professionals in schools and other education related settings as well as business settings.
- This program uses hands-on and student-centered approaches.

The background is a dark blue gradient with faint, light blue technical graphics. On the right side, there are several circular elements: a large semi-circular scale with numerical markings from 0 to 210, and several concentric circles with arrows indicating a clockwise direction. On the left side, there are also some faint circular and curved line graphics.

"It's not about the technology. It's about what you do with it."

(Michael Meechin, principal at Poinciana High School in Florida, a keynote at 2017 [Future of Education Technology Conference](#) in Orlando, FL)

The background is a dark blue gradient with a subtle pattern of small white dots. On the right side, there are several circular graphic elements. A large, semi-circular scale with numerical markings from 0 to 200 is visible, along with several concentric circles and dashed lines, some of which contain arrows indicating a clockwise direction. These elements suggest a technical or scientific theme.

Teachers, students, and administrators – not technology
alone – are the drivers of innovation

WHY TO CHOOSE THE CSUSB MA IN INSTRUCTIONAL TECH?

IT Program Alumni Testimonial Video Available at <https://www.youtube.com/watch?v=ZdGVYk6-XE8>

IT FIELD

- Hard technology:
 - Slides, video, computers
- Soft technology:
 - Instructional design

ETEC Website <http://etec.csusb.edu>

ADMISSION

- Accepting Applications Year around
- IDT Program [Admission Info](#)
- Apply at CSU Apply
<https://www2.calstate.edu/apply>

IT JOBS

- Technology Teacher
- Technology coordinator
- Library specialist
- Instructional designer and developer (e.g. online course developers)
- HR Trainers
- Usability evaluator
- Performance consultant
- Professor (Ph.D or Ed.D) . . .

STIPENDS/FELLOWSHIP/GRANTS

- [Graduate Equity Fellowship](#)
- [Additional Scholarship Information](#)
- [On Campus Scholarships](#)

CALIFORNIA TEACHING PERFORMANCE EXPECTATIONS (TPE)

- Beginning teachers **design, implement, and evaluate technology-rich learning environments** to customize and individualize learning opportunities and assessments for students.
- Beginning teachers Maintain ongoing communication with students and families, including **the use of technology to communicate** with and support students and families, and to communicate achievement expectations and student progress.

GRADUATE STUDENTS TUITION & FEES

- Graduate Students
- <https://www.csusb.edu/student-financial-services/tuition-and-fees/academic-year-2022-2023>

Postbach/Graduate*, Resident Student

Tuition (All Required)	Fall 2022 0-6 Units	Fall 2022 6.1+ Units	Spring 2023 0-6 Units	Spring 2023 6.1+ Units
Tuition Fee	\$2,082.00	\$3,588.00	\$2,082.00	\$3,588.00
Mandatory Campus Charges	\$873.29	\$873.29	\$866.74	\$866.74
TOTAL	\$2,955.29	\$4,461.29	\$2,948.74	\$4,454.74

MA DEGREE

- Masters of Art Degree in Education:
Instructional Technology option program
(10 semester courses x 3 = 30 units)
- Takes 1.5-2 yrs.

M.A. in Instructional Design and Technology
Program Plan (Entered 2020-21)
