**Subject:** Update on Campus Events

To the CSUSB community:

Based upon the current conditions of the COVID-19 pandemic, along with California Governor Gavin Newsom's re-opening of the state, the Cal State San Bernardino moratorium on all in-person campus events and gatherings **will end effective July 19, 2021.**

This announced end of the moratorium is subject to change based on pandemic conditions.

**Until the moratorium is lifted, it remains in effect** for all university activities as well as third-party events for the San Bernardino and Palm Desert campuses including, but not limited to, in-person conferences, workshops, meetings, student programming, camps, banquets, receptions, luncheons and dinners. Therefore, **event planners/organizers should continue to host all campus events using a virtual format.** Please contact Special Events and Guest Services at [events@csusb.edu](mailto:events@csusb.edu) for additional assistance.

The requirements for hosting events on campus, include the following:

- Request space for events with the Event Management System (EMS) via MyCoyote.
- Indoor event attendees must wear face covering regardless of vaccination status.
- Outdoor event attendees who are not able to socially distance must wear face covering regardless of vaccination status.
- Event attendees will be required to complete the daily health screen.
- Departments hosting events are responsible for ensuring that there are adequate hand sanitization or hand washing facilities for event attendees.
- Indoor events are not to exceed 5,000 people and outdoor events are not to exceed 10,000 people.
- Events are to be in compliance with the campus [COVID-19 Prevention Plan](#), Cal/OSHA COVID-19 emergency temporary standard and California Department of Public Health COVID guidance.
- Events are subject to cancellation or postponement depending on regional pandemic conditions or outbreaks.
