Subject: COVID-19 CSUSB Event Information – Update

To the Campus Community:

Based on the CSU system-wide determination that spring semester 2021 is being primarily delivered virtually, along with the continued high spread of COVID-19 in our region, Cal State San Bernardino has extended its moratorium on all in-person campus events and gatherings through August 15, 2021. This encompasses all university activities as well as third-party events for the San Bernardino and Palm Desert campuses including, but not limited to, in-person conferences, workshops, meetings, student programming, camps, banquets, receptions, luncheons and dinners. The moratorium is subject to change or further extension based on pandemic conditions.

Both CSUSB campuses remain open for the 2020-21 academic year with a full range of courses and services offered virtually, with only limited exceptions (will be noted in the Schedule of Classes in MyCoyote) of in-person coursework that cannot be delivered virtually and are deemed indispensable.

The decision to extend the moratorium affirms the university's ongoing commitment to protect the health and safety of the campus community. It abides by Governor Gavin Newsom's directives and recommendations concerning non-essential public gatherings and corresponds with decisions made by other CSU member institutions and additional colleges and universities statewide.

Event planners/organizers should proceed to take all steps to postpone, cancel their events, or move them to a virtual format and advise both attendees and speakers of the situation. Please contact Special Events and Guest Services at events@csusb.edu for additional assistance.

This message from COVID-19@CSUSB.EDU serves as the official notification to the university campus community.
