Subject: Governor Announces Limited Stay-at-Home Order

A Special Message to the Campus Community:

Governor Gavin Newsom and the California Department of Public Health have announced that a limited Stay-at-Home Order will go into effect every night from 10pm to 5am. The Order is effective at 10pm on Saturday, November 21 and will last until December 21, though it could be extended. Also, the Order only applies to those California counties that are under Tier One (Purple) status for COVID-19, which currently includes all Southern California counties, including San Bernardino and Riverside.

All CSUSB employees who are scheduled to work during these hours will still report and leave as scheduled, as essential employees are an authorized exception to the Order.

The Order restricts all nonessential activity outside of the home from 10pm – 5am, with exceptions for purchasing groceries, picking up restaurant takeout orders, and/or visiting doctors or other health care providers.
