Subject: Summer and Fall 2020 Campus Parking Information

To the CSUSB Campus Community,

Parking and Transportation Services continues to make operational adjustments at both the San Bernardino and Palm Desert campuses to coincide with the CSU announcement that most instruction will remain virtual through Fall Semester 2020. The following is updated campus parking information in effect through December 31, 2020.

Parking Enforcement

Parking permits will not be required during daytime hours, seven days a week. Parking permits continue to be required for any vehicle parked on campus overnight and enforcement will be conducted between the hours of 10pm – 7am, seven days a week. Parking enforcement will continue at all times for disabled parking, service vehicle/other specially marked spaces, and fire zones.

Faculty/Staff Parking Permits

For employees who are signed up for automated paycheck parking deductions, a new 2020/21 academic year parking permit will be mailed in July 2020. CSUSB will notify the State Controller's Office that no pay deductions will occur through December 2020 or when the campus determination is made for employees to physically return to work on campus.

Resident Student Parking Permits

Resident student permits continue to be available for purchase on the Parking and Transportation Services [online parking portal](#). Once purchased, the permit can be picked up from Information Center II on Coyote Drive during operating hours.

Information Center Operating Hours

Both information center information booths (University Parkway and Coyote Drive) on the San Bernardino Campus will remain open Monday-Friday, 7am – 5pm.

Free Wi-Fi Internet Parking Lot Access

Students can continue to access free Wi-Fi internet access in parking lots on both the San Bernardino and Palm Desert campuses. At San Bernardino, Wi-Fi access points are located in Parking Structures East and West, as well as Parking Lot N. At Palm Desert, the Wi-Fi access point is in the parking lot closest to the Indian Wells Theatre.
