**Subject:** Important Spring 2022 Registration Information

Campus Community,

To avoid delays with spring term registration, which begins in November, **all students need to complete Title IX training, and unvaccinated students need to participate in weekly COVID-19 testing.**

Thank you to our staff and faculty for encouraging our students to complete these compliances and thank you to our students for completing these actions. This will help keep our university community safe and healthy.

Beginning Wednesday, Oct. 20, **registration holds** will be placed for those students who are not in compliance. Links to the Title IX training and for COVID-19 testing appointments are listed below:

- **Student Mandatory Title IX Training:** Go to [MyCoyote/MyTasks](#)
- **Weekly COVID-19 testing for unvaccinated students:**
  - [Schedule an on-campus testing appointment online](#). Drop-in appointments are also available.
  - Testing at the San Bernardino campus is available Monday-Friday from 7:30 a.m. – 6:30 p.m. at the Yasuda Center.
  - Testing at the Palm Desert Campus is available Monday, Tuesday and Friday from 8 a.m. – 4 p.m., and on Wednesday and Thursday from 8 a.m. – 6 p.m. at the Indian Wells Theater Lobby.

Thank you again for your cooperation. Let's continue to Protect the Pack.
