Subject: Off-Site Testing Update - new system is up and running

Coyotes,

For those individuals who are required to complete weekly testing, COVID-19 testing results from an off-campus location can NOW be uploaded directly to the [Testing Portal \(https://csusb.veritastesting.com/\)](https://csusb.veritastesting.com/). Free testing continues to be provided at the Palm Desert and San Bernardino campuses Monday through Friday. Any costs associated with testing from an off-campus provider will be the responsibility of the person being tested and will not be covered by the University.

- On the testing portal under **View My Results**
 - Click on **Uploaded Tests**
 - Click on **Upload Result** (note: on some mobile devices you may only see a Paper Icon with an Up Arrow)
 - Select the **Test Type**, (Most common is Antigen)
 - Select the **Test Result**
 - Select the **Test Date** when the test was collected
 - Click **Choose File**
 - On a desktop must select a file
 - On a mobile phone you are given an option of selecting a photo or taking a picture
 - Click **Submit**

The screenshot shows the 'View My Results' page with three tabs: 'Test Results', 'Uploaded Tests', and 'Vaccinations'. The 'Uploaded Tests' tab is active, showing a table of test results. Below the table is a 'Test Result Verification' section with a form to add new test result verifications.
