| Annual Security Report (ASR) Updates     | 1. Annual Security Report (ASR) and Fire Safety Report (FSR) with the Clery Center for their review. Should receive it back by August 25\(^{th}\), then will work with team to make any changes needed. Still on track for September 15\(^{th}\) posting.  
2. We want to document all of our procedures, including the ASR review we did this year. That way next year will hopefully go a bit more smoothly and will be less cumbersome. |                                                                                                         |
| Clery Website                            | 1. Currently have a “soft launch” of our new Clery web page.  
2. ITS is working to make the Clery links on the University webpage link to the new site.  
3. Team to review and critique the site.  
4. Hard launch maybe late October after departments have had time to teach about Clery in new academic year orientations. | Team to take a look at new site and provide feedback                                                                                       |
| CSA Training                             | 1. Need to update our CSA List for the academic year.  
2. Training will then be assigned automatically via CSU Learn and will allow 60 days for everyone to complete.  
3. Housing has completed their staff orientation, and included Clery information. Student Engagement’s orientations are scheduled and CGI will be scheduled. | If haven’t already, please provide current CSA list to Kim                                                                                   |
| Clery Crime Reporting Form               | 1. The form is in PDF form on the UPD website and the Clery website. We will be working on a Qualtrics survey version to best capture date and strengthen response and review.  
2. We will also be looking at the way we review our crime stats and see if there is any way to improve process. |                                                                                                         |
| Clery Governance                         | 1. We will review that our membership is up-to-date  
2. We will document our procedures, such as ASR review, crime stats review, etc.                                                                                                                     | Kim will send invites to those still not on Clery google Drive                                                                          |
