Dear Faculty,

Members of our campus community recently experienced power outages due to high winds. Other members had to evacuate because of the Blue Ridge and Silverado fires.

As a result, many students lost instruction time, missed assignment due dates, quizzes, and tests. Please keep these interruptions and displacements in mind as you make adjustments to your courses. Our goal is to ensure we treat all students fairly.

Thank you for your efforts to ensure student success, particularly in light of these additional challenging circumstances.

Best,  
Shari
