Dear Faculty,

I hope you had a wonderful spring break!

Next week, the Offices of Academic Research and Student Research will host several celebratory and informative events during the 4th Annual Research Week. I encourage you to join us for one or more of these programs to learn about and support the outstanding research and creative activities of our faculty and students.

Events will be held April 12-16. Please see the attached flyer for details and registration.

Best,
Shari
