Cumulus Photo Database Tips:

Welcome,

Search 🔍

LOG IN

- Keep the photo server URL bookmarked
  URL: http://photoserver.csusb.edu/portals/login
- Keep your username and password saved

CATALOGS

- **Campus Photography:** Athletics, Campus Scenics, Colleges, Divisions, Graduations, People Photos, and Miscellaneous
- **Branding Photography:** Approved portraits and group photos

SEARCHING

- Use the top search bar for quick searches in the Campus and Branding Photography catalogs to help locate files.

> **Search Tips**
> When using the search bar, try searching by just a first or last name instead of the whole name. For example if you search for Cody Coyote you get over 600 images, where if you search for Cody you get over 750 images.
>
> **Additional ways of searching**
> Click on the "Photo Folders" on the left to reveal folders containing photos

DOWNLOADING

- Download one photo at a time or an entire folder by selecting the collection basket in the upper right hand corner
