

## October 2019 Department of Nursing Alumni Newsletter

Greetings from the Department of Nursing at CSUSB!

This is a busy time as fall courses have been launched in all three nursing programs - prelicensure BSN, RN to BSN, and MS in Nursing (MSN). There's a little extra edge to the hustle and bustle this fall as this is the final academic year during which we'll have quarters at CSUSB. [Fall 2020 will bring the start of semester-long terms!](#)

You're cordially invited to the [Fall 2019 Homecoming festivities at CSUSB](#), scheduled for Saturday, October 19<sup>th</sup>. Take advantage of the opportunity to catch up with the campus (some exciting [new construction](#) going on right now!) and enjoy the food and activities at the Homecoming Bash!

Finally, we're proud to [share this news release](#) about a nearly \$63,000 grant awarded to the Department of Nursing at the Palm Desert campus. Dr. Diane Vines, Department of Nursing faculty member, is the coordinator of this grant focused on supporting delivery of healthcare services to the homeless population in the Coachella Valley. Congratulations, Dr. Vines!

If the Department of Nursing can serve you, or someone you know, with future nursing education plans, feel free to check out the [Department website](#) or send an email to [nursinginfo@csusb.edu](mailto:nursinginfo@csusb.edu). Best wishes!
