PAYROLL BULLETIN

October 2022 Pay 10/1-10/31

Due to the IRS update of the form W-4 effective in 2020, the Employee Action Request (EAR) form has also been updated to match. The main change is that the IRS has eliminated the need to select the number of allowances. Instead, an actual dollar amount is required. (Please use **only the last 4 digits of your SSN** when submitting the form electronically)

Additional information and a completion guide can be found at:

Separating Employees:

If an employee is separating (via retirement and/or resignation) it is important that Payroll is informed in addition to Human Resources. Payroll needs processing time since separating employees are due their final checks on or before their last day of employment as long as notice has been given to the department, HR, and/or Payroll.

Please direct employees to the [Resignation Off-Boarding portal](#).

CIA Requests:

When making changes to timekeepers, approvers, MPWA, etc. via a CIA Request, please also complete a new [Payroll Signature Authorization Form](#). Scan/email to sandra.davis@csusb.edu. Form must be received in Payroll before access is approved. The CIA requests expire after 30 days.

Employee updates:

When submitting forms only include the last four of your social security number. Send completed form(s) to payroll@csusb.edu. For security purposes, forms will only be accepted from the employee's CSUSB email address.

- [Direct Deposit Form](#)
 - a. If changing bank accounts, please leave current account open until the change to the account is verified.
 - i. If this is not possible, contact Payroll ASAP
 - b. Direct Deposit takes from 30 to 45 business days to establish, until then you'll receive a live check
- [Employee Action Request](#)(Name, tax withholding, address changes)

Late Student Listings:

Please inform student employees that their pay **may** be late if submitting late hours after the due date. This will help reduce the time taken to research missing and late pay for Payroll Services *and* Student Financial Services. As a reminder, submitting documentation by Payroll deadlines ensures employees are paid accurately and on time.

Reporting Docks:

- Before approving the dock, be sure that the employee has exhausted their applicable leave credits.
- Please ensure all docks are entered into Absence Management by posted [due date](#).
- Timekeepers must also email their [Payroll Tech](#) with employees' Coyote ID Number, Name, and dock dates. All Supervisors and employees must be cc'd.
