Congressional Hispanic Leadership Fellowship

Jake Orta is a current MPA student and a Government and Community Relations Specialist for CSUSB. He writes"

Upon graduation I was accepted into a Global Leaders Fellowship with the Congressional Hispanic Leadership Institute (CHLI). This opportunity allowed me to live in Washington, D.C. for free and gain work experience on the Hill in a Congressional Office.

This experience changed my life and think it would be great to get the word out to our students. If possible, can the CHLI opportunity be advertised in the PA Digest? Here is a link to the application: [FALL 2019 GLOBAL LEADERS PROGRAM – CHLI](#) . I am free to talk more about this opportunity if need be.

The Public Administration Department at California State University, San Bernardino provides student centered learning that prepares students to become effective public service and nonprofit professionals and community members. We serve students and communities, primarily from the Inland Empire region of Southern California and surrounding areas through enhancing the knowledge of public affairs, administration, and policy of a highly diverse population. We are committed to teaching ethical behavior, democratic values and the practical complexities of governance. To sustain and constantly enrich our educational offerings, we support faculty efforts to remain current in their fields and to develop and disseminate knowledge of public administration and pedagogy through applied and basic research.
