A Message from the PDC Dean

Dear PDC Faculty,

Welcome to the CSUSB Palm Desert Campus!

Whether you are a faculty member who has self-identified as a PDC faculty member, or you have been hired for and dedicated by your department as a PDC faculty member, or you are one of our seasoned full or part-time faculty members who occasionally teaches a PDC course, I welcome you and thank you for being a part of the PDC family!

Over the years, the CSUSB Palm Desert Campus has benefited tremendously from the expertise, dedication and passion of our faculty, who have all played an important role in helping our students succeed. In addition, faculty contributions have helped to infuse intellectual excellence, elevate the student experience, and accelerate campus growth at PDC.

This PDC teaching guide, or teaching handbook, is meant to help assist you while you are teaching at PDC. Within its pages you will find information about our history, our community, and the many important services that are offered to our students. You will also find general information, including where to pick up your mail, where the faculty offices are located, and how to use the information technology in the classrooms. All of this information will help ensure your success here at PDC.

I currently serve as the academic liaison at PDC for you and your department. I will work with Johanna Martinez to assist you with your scheduling and class enrollment needs, and I will work with you to provide faculty support, including the scheduling of faculty meetings, coordinating faculty development activities and assisting you with your office needs. I will also work with Francisco Alfaro, the PDC interim manager of campus operations, to assist you with your space and facility needs.

While you have this teaching guide as a resource on how to obtain assistance while you teach at PDC, please also feel free to reach out to me and/or any staff members based on what needs you may have.

You can also visit the "Helpful Resources for Faculty & Staff" tab on the PDC homepage for more information.

I look forward to working with you and supporting you at PDC!

Sincerely,

A handwritten signature in black ink, appearing to read "Jake Zhu". The signature is fluid and cursive, with a long horizontal stroke at the end.

General Campus Information

Campus History

Early Beginnings

In the early 1980's citizens of the Coachella Valley recognized the benefits that a four-year university would bring to the region and organized to meet that need. The Chancellor of California State University advised the group to consult with the President at California State University, San Bernardino. A year-long study documented the need for state-supported undergraduate, teacher education and graduate programs. The chancellor's office approved that study, as did the CSU Board of Trustees and the California Postsecondary Education Commission. That prompted the state legislature to approve funds to establish what was then called the Coachella Valley Center.

The Coachella Valley Center

The Coachella Valley Center opened in Fall 1986 on land leased from College of the Desert. The center consisted of an administrative office and classroom housed in a trailer. The first dean, Catherine Gannon, registered the first class of 80 students out of her car trunk. By 1988, three modular buildings were added and in 1991, two more modulares were added. To meet the growing demand, classroom space was also used at College of the Desert and Joslyn Senior Center.

In 1990, Peter Wilson became the Center's second dean. He worked with members of the Palm Desert City Council and in November 1994, the CSU Board of Trustees accepted a donation from the city for land upon which to construct a permanent campus.

The Palm Desert Campus

Under the leadership of President Albert Karnig and Capital Campaign Co-chairs Betty Barker and Richard Oliphant, a public-private partnership ensued and community members pooled their resources to support the development of the campus. Local financial support funded the construction of the campus facilities, which the state furnishes and maintains.

The first building to be constructed and occupied in 2002 was the Mary Stuart Rogers Gateway Building, built with funds from the Mary Stuart Rogers Foundation, the Berger Foundation, the City of Rancho Mirage and Florence Rigdon. With the move to the permanent campus, and partly as a result of a long-term planning study chaired by Fred Jandt (who became the campus's third dean in 2003), the campus officially changed its name to the Palm Desert Campus of California State University, San Bernardino.

The second and third buildings opened in 2005. They were built largely with funds from the City of Indian Wells, The Annenberg Foundation, the H.N. and Frances C. Berger Foundation, Palm Desert National Bank, and Jean Hahn and John I. Hardy. Phase II of the campus included the Indian Wells Center for Educational Excellence and the Indian Wells Theater.

Ground was broken in late 2006 for Phase III of the campus, the Palm Desert Health Sciences Building. Donors for this building included eight of the Valley's municipalities as well as the County of Riverside, The Desert Healthcare District, the R.D. and Joan Dale Hubbard Foundation, The Webb Foundation, Palm Desert National Bank and other community members. This facility houses the Helene A. Hixon Information Resource Center, science & nursing labs, and the R.D. and Joan Dale Hubbard Student Health and Psychological Counseling Center. Everything changed in the fall of 2013 when the Palm Desert Campus opened its doors to its first freshman class, becoming the Coachella Valley's only four-year public university.

Sharon Brown-Welty became the campus's fourth dean in 2014 and retired in 2018.

Jake Zhu became the campus's fifth dean in 2019.

Coyote Bookstore at PDC

The Coyote Bookstore at CSUSB's Palm Desert Campus is located beside the Rancho Mirage Student Center Lounge in the Mary Stuart Rogers Gateway Building.

Textbooks

The bookstore offers a variety of options for textbook purchases, including new, used, rental, and digital formats. Textbook information, including purchase and rental pricing, is available through MyCoyote or at Coyote Bookstore Palm Desert Campus.

Renting Textbooks

Textbook rental is a great way to save money on one of students' biggest college expenses; on average, renting books will save about 50% of a new book purchase. Not every book is rentable, but the list of rental titles is growing every term.

Digital Textbooks

Brytewave-the Bookstore's leading format for digital textbooks-offers a more advantageous approach when in search for the right textbook. It can be used on many devices, including laptops, tablets, and mobile devices and students can log in from anywhere. This is also a cost-effective way of saving money by going digital!

Used Textbooks

The bookstore offers used-sellable condition textbooks-at a lower cost than new textbooks. By purchasing used or new textbooks you can sell them back to us for up to 50% of your money back!

Besides textbooks, the bookstore provides:

- PDC gifts & clothing
- School supplies
- Computer software
- Snacks & beverages
- Gift cards

Parking at PDC

Parking permits are required to park at the CSUSB Palm Desert Campus.

Parking is enforced Monday through Sunday, 24 hours a day.

Parking rules and regulations are designed to: provide orderly parking for faculty, staff, students and visitors, protect pedestrians, and ensure emergency access to all buildings. Violation of these regulations can result in parking citations, immobilization or towing of your vehicle. ONLY the Department of Parking Services has the authority to waive or grant exceptions to these regulations.

Parking Services will make every effort to ensure that a parking space is available to anyone who purchases a parking permit through enforcement of these regulations. Due to the limited number of parking spaces on campus, enforcement of parking regulations is important even during off-peak periods to ensure availability during peak periods. A concerted effort is made to enforce regulations as uniformly as possible.

Permits may be purchased online and at kiosks located at the CSUSB Palm Desert Campus.

Violations of the parking regulations include the following:

- No current permit/decal displayed
- Overtime violation
- Unauthorized parking in a space designated disabled
- Parking in front of the construction entrance located on the north side of the lot
- Displaying an altered/stolen/lost permit/decal
- Improper parking permit display
- Blocking access to a disabled space/ramp
- Unauthorized parking in a services space
- Unauthorized parking in an undeveloped area
- Parking in a "Red Zone" or barricaded area
- Unauthorized parking in a reserved space
- Double parking/parking over line

NOTE: The summarized information listed above does not amend, modify or substitute CSUSB Parking Rules and Regulations. Copies of these regulations may be obtained by calling Parking Services at (909) 537-5912. You may also request a copy of the regulations by writing to California State University San Bernardino, Parking Services Department, 5500 University Parkway, San Bernardino, CA 92407.

PDC Student Services

A variety of services to students, and prospective students, are provided at the CSUSB Palm Desert Campus. From Admissions to Career Services, students are able to access many of the services that are also offered on the San Bernardino campus. These services are supported by the many departments in San Bernardino and are expanding every year.

The following Student Services are outlined in the next few pages and it is not comprehensive; this is intended to give an overview and an understanding of what is offered:

- Admissions**
- Academic & Career Advising**
- Library**
- Health Center**
- Fitness Center**
- Academic Assistance**
- 10 Commuter Link Service**

Admissions

California State University, San Bernardino welcomes new undergraduate first-year and transfer students to our campus for the fall semester. As an impacted campus, CSUSB does not accept applications for the spring semester. The application period for the fall semester is **October 1 to November 30** of the year prior to the term of intended enrollment.

Library

Hixon Information Resource Center

The Helene A. Hixon Information Resource Center houses PDC's library services. The electronic library resources provide student and faculty researchers with access to ideas, information, and creative works on any topic in any field or discipline. Databases include many full-text journals, newspapers, reference works and digital books, all of which may be accessed from home or campus computer.

The librarian is available to support research through reference assistance, not only pointing the way to sources, but empowering researchers by teaching basic information literacy skills that provide the framework for identifying gaps in knowledge, finding appropriate information to fill those gaps, and using it ethically.

If a member of the campus community needs specific articles or books not offered in digital form, they may be requested on-line through the CSUSB library's Interlibrary Loan Service. A courier will deliver requested books to the Palm Desert Campus, while journal articles will be converted into digital form and sent to a CSUSB email account at no charge.

Laptop computers and iPads are available for check out and use on campus.

10 Commuter Link Service

Bus Service between PDC and the San Bernardino Campus

The 10 Commuter Link is a weekday service, Monday through Friday, that enables riders traveling to and from the Coachella Valley to travel reliably and for a low cost. The roundtrip regional route, created in partnership between CSUSB & SunLine Transit, has a westbound schedule that begins at 5:20am and an eastbound schedule that begins at 8:45am.

The program is open to all CSUSB students, faculty, and staff.
All riders will be required to show a valid Coyote One Card.

This 92-mile route begins with two stops in the Coachella Valley at the SunLine Indio facility and the California State University, San Bernardino Palm Desert campus.

At the Beaumont bus stop, passengers will be able access buses connecting to Cabazon, UC Riverside, Riverside University Health Center, Kaiser Hospital, VA Hospital, Loma Linda Medical Center, and numerous destinations served by Riverside Transit Agency, Beaumont Transit, and Banning Transit. The 10 Commuter Link bus stop in Beaumont also enables residents of the PASS area, San Jacinto, Hemet and Moreno Valley to travel to CSUSB and UC Riverside (Palm Desert campuses), and other employment centers in Coachella Valley.

The route continues, stopping at California State University San Bernardino main campus, and at the San Bernardino Transit Center and Metrolink station. Section II:
Faculty Information

Statement of Ethics & Responsibilities

An Excerpt Taken from the CSUSB Faculty Administrative Manual

1. Professors, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth as they see it. To this end professors devote their energies to developing and improving their scholarly competence. They accept the obligation to exercise critical self-discipline and judgment in using, extending and transmitting knowledge. They practice intellectual honesty. Although professors may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom or inquiry.
2. As teachers, professors encourage the free pursuit of learning in their students. They hold before them the best scholarly and ethical standards of their discipline. Professors demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors. Professors make every reasonable effort to foster honest academic conduct and to assure that their evaluations of students reflect each student's true merit. They respect the confidential nature of the relationship between professor and student. They avoid any exploitation, harassment, or discriminatory treatment of students. They acknowledge significant academic or scholarly assistance from them. They protect their academic freedom.
3. As colleagues, professors have obligations that derive from common membership in the community of scholars. Professors do not discriminate against or harass colleagues. They respect and defend the free inquiry of associates. In the exchange of criticism and ideas professors show due respect for the opinions of others. Professors acknowledge academic debt and strive to be objective in their professional judgment of colleagues. Professors accept their share of faculty responsibilities for the governance of their institution. As members of an academic institution, professors seek above all to be effective teachers and scholars. Although professors observe the stated regulations of the institution, provided the regulations do not contravene academic freedom, they maintain their right to criticize and seek revision. Professors give due regard to their paramount responsibilities within their institution in determining the amount and character of work done outside it. When considering the interruption or termination of their service, professors recognize the effect of their decision upon the program of the institution and give due notice of their intentions.
4. As members of their community, professors have the rights and obligations of other citizens. Professors measure the urgency of these obligations in the light of their responsibilities to their subject, to their students, to their profession, and to their institution. When they speak or act as private persons they avoid creating the impression of speaking or acting for their college or university. As citizens engaged in a profession that depends upon freedom for its health and integrity, professors have a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.
5. In accounts of their own professional activities (FARs, AARs, applications for grants and leaves and the like), faculty members are held to the same standards of honesty as they are in their professional work itself.
6. Violations or suspected violations of these standards should be called to the attention of the Associate Provost for Academic Personnel, who is empowered to conduct an investigation and take appropriate action.

Faculty Workspaces & Mailboxes/Copy Codes

Faculty Workspaces

There are two workspaces where faculty may have access to computers, campus phones, a copy machine, and which also allow faculty the opportunity to meet with students outside the classroom.

1. Offices are assigned to those faculty who are tenured, on the tenure-track, who are PDC faculty members through hire or department designation, and who do not have an assigned faculty office on the San Bernardino campus.
2. Shared cubicle work spaces:

Mailboxes & Copy Codes

Each faculty member will receive an email with their mailbox information. Copy codes for RG 213 should be requested by emailing manuel.moreno@csusb.edu. Mailboxes should be checked on a weekly basis.

Nursing faculty will be assigned mailboxes and copy codes by the PDC Nursing Department.

Academic department should be contacted for mass copy orders, such as syllabi, exams, etc. Faculty should plan accordingly and take into consideration courier times between campuses.

Syllabi & Course Information

The University Syllabus Policy, Academic Dishonesty, and University Final Schedule are included in Section III of this Guide.

Please email a copy of your syllabus/i to your academic department and to the PDC Academic Scheduling Office ASC, Johanna Martinez, at johanna.martinez@csusb.edu. These should be sent and received no later than the 2nd class meeting of the term.

Office Hours need to be clearly stated on the syllabus cover page, as well as faculty contact information, such as phone and email.

Support for Students with Disabilities

If you are in need of an accommodation for a disability in order to participate in this class, please contact Rosie Garza in Services to Students with Disabilities at the Palm Desert Campus in RG-203, 760-341-2883 extension 78117, or at the San Bernardino Campus in UH-183, 909-537-5238, ssd@csusb.edu.

SOTEs

SOTEs are Student Opinions of Teacher Effectiveness and are evaluations completed by students in the latter half of the academic term.

SOTEs are designed for two purposes: to give individual faculty information about the effectiveness of their instruction so that they can continue to improve their teaching and to give information to evaluators about faculty performance in teaching. All classes taught by a faculty member will be evaluated with the exception of classes with less than 5 students, team-taught courses, and other courses such as field experiences, thesis, independent projects, etc. Online instructors will be evaluated through an online version of the SOTE and will be distributed to student emails.

At PDC, SOTEs will be distributed and available in faculty mailboxes. Faculty will be emailed and alerted to when SOTEs are distributed.

More information regarding SOTEs may be found online: <https://www.csusb.edu/trc/resources/sotes>.

Cross Enrollment

CSUSB Palm Desert Campus offers a Cross Enrollment program for students attending College of the Desert, Copper Mountain College and Mt. San Jacinto College. It is not available at the San Bernardino Campus.

This is for UPPER DIVISION COURSES ONLY.

If a community college student meets specific requirements (GPA, number of completed units, etc.) they may take one class with us through Cross Enrollment. It is a good introduction to the quarter system and usually leads to a future application to PDC. The majority of Cross Enrollment students try to take one of the capstones, but sometimes try for classes in their major. They must meet all prerequisites. Enrollment is on the first day of class and is determined on instructor approval and space availability.

On the first day of class instructors will be able to add a typical CSUSB student to their roster with an Add Slip. In addition, they may also have a few Cross Enrollment students requesting your signature. The decision, for both categories, is completely up to each individual instructor.

PDC Service Opportunities & Campus Engagement

A Message from the PDC Interim Assistant Dean of Student Engagement

Hello PDC faculty and welcome to the PDC Pack! I look forward to working with you.

My name is Avi Rodriguez, I have been at PDC for more than 12 years, supporting our students academically as an advisor and now as a part of the engagement office, serving our students and you, as well.

Part of our mission is to give back to the community as well as be active participants of the PDC Pack. As faculty, we look to you for encouragement and support. Many of our students (82%) are first-generation and need guidance from you on how to “do college.” Since students see you more often than the staff on campus it is important for you to encourage them to be active outside of the classroom.

Please attend and encourage your students to attend campus events. Umbach & Wawrzynski (2005) found that, “seniors and first-year students [were] more engaged on campuses where faculty placed a high level of importance on participation in enriching educational experiences” (pg.168). I will do my best to send out reminders of big events on campus and those that are done virtually. If you are on social media, please follow us on Instagram @CSUSBPDC.

I look forward to working with you this academic year (and beyond) please don't hesitate to reach out and contact me.

POLICY AND PROCEDURES CONCERNING ACADEMIC DISHONESTY POLICY FAM 803.5

Plagiarism and cheating are violations of the Student Conduct Code (see Appendix of the CSUSB Bulletin of Courses) and may be dealt with by both the instructor and the Judicial Affairs Officer. Definition and procedures for addressing cheating and plagiarism are found below. Questions about academic dishonesty and the policy should be addressed to the Office of the Vice President for Student Affairs.

Definition of plagiarism/cheating:

Plagiarism is the act of presenting the ideas and writings of another as one's own

Cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means.

Cheating includes but is not limited to:

4. Using or consulting during an examination sources or materials not authorized by the instructor.
5. Altering or interfering with grading or grading instructions.
6. Sitting for an examination by a surrogate, or as a surrogate.
7. Any other act committed by a student in the course of his or her academic work, which defrauds or misrepresents, including aiding or abetting in any of the actions defined above.

Plagiarism is academically dishonest and makes the offending student liable to penalties up to and including expulsion. Students must make appropriate

acknowledgements of the original source where material written or compiled by another is used.

Section 1: Academic dishonesty shall initially be addressed by the instructor, who may employ any of the sanctions listed below in Section 3. The instructor shall then complete a form that identifies the student who was found responsible, the general nature of the offense, the action taken (if any), and a recommendation whether further action should be considered by the Judicial Affairs Officer. The instructor shall send the completed form (which may be found in Appendix A below) to the Judicial Affairs Officer, care of the Office of the Vice President for Student Affairs.

Section 2: An instructor who takes any of the actions listed in Section 3 below has the following responsibilities:

1. To preserve the evidence in support of the allegation
2. To notify the student of the allegation and of the evidence on which it is based
3. To provide the student a reasonable opportunity to challenge or rebut the allegations
4. To notify the student of the action being taken

Section 3: The instructor may employ any of the following sanctions:

1. Verbal or written reprimand
2. Assignment or appropriate task or examination
3. Change of grade, including assigning a punitive grade to work involving dishonesty, or for the course, project, thesis, or any other summary evaluation of the student's academic work

Section 4: If the student does not wish to accept the sanction proposed by the instructor, the student may request and require that the allegation be referred to the Judicial Affairs Officer. In that event, the procedures specified under Executive Order 628 (Student Disciplinary Procedures of the California State University) shall be observed. The instructor shall not impose any sanction other than the sanction(s) imposed through the disciplinary procedure.
