Psychology, B.A.
2019-2020 Freshman Roadmap

* Required for major; only offered this quarter at PDC.

180 unit minimum is required to graduate from CSUSB. If this requirement is not met with GE and major units, you will need to complete **free elective units. See your Academic Advisor for more details.

- As prerequisites for acceptance into the B.A. in Psychology, students must complete the following as a "Pre-psychology major":
 - PSYC 100 (4)
 - PSYC 101 (1)
 - PSYC 210 (5)

The grade earned in the above coursework must be **no lower than a "C" (2.0)**. Upon completion of the requirements, student's major will be changed automatically from "Pre-psychology" to "Psychology" status.

- PSYC 101 available every quarter online
- PSYC 575 Internship available every quarter during junior and senior years
- Students intending to enroll in graduate school will find this undergraduate program provides an excellent base for entry into graduate training, whether in Psychology, Social Work or Education.

This schedule is subject to change without notice. Follow your Program Advising Worksheet (PAWS), which lists coursework for graduation. See your academic advisor to make sure all course requirements are complete.
