EARS

Due to the IRS update of the form W-4 effective in 2020, the Employee Action Request (EAR) form has also been updated to match. (Please use **only the last 4 digits of your SSN** when submitting the form electronically)

PAYROLL BULLETIN

July 2022/ Pay Period 7/1-8/1

Separating Employees

If an employee is separating (via retirement and/or resignation) it is important that Payroll is informed in addition to Human Resources. Payroll needs processing time since separating employees are due their final checks on or before their last day of employment as long as notice has been given to the department, HR, and/or Payroll.

Please direct employees to the Resignation Off-Boarding portal (link below).

CIA Requests

When making changes to timekeepers, approvers, MPWA, etc via a CIA Request, please also complete a new [Payroll Signature Authorization Form](#). Scan/email to sandra.davis@csusb.edu. Form must be received in Payroll before access is approved. The CIA requests expire after 30 days.

Employee updates

- [Direct Deposit Form](#) (If changing bank accounts, please leave current account open until the change to the account is verified. If this is not possible, contact Payroll ASAP)
- [Employee Action Request](#) (Name, tax withholding, address changes)
- Only include the **last** four of your social security number.
- Forward completed form(s) to payroll@csusb.edu. **For security purposes, forms will only be accepted from the employee's CSUSB email account.**

Please allow 30-45 business days to process and activate the direct deposit, until then you will receive a live check

Late Student Listings

Please inform student employees that their pay **may** be late if submitting late hours after the due date. This will help reduce the time taken to research missing and late pay for Payroll Services *and* Student Financial Services. As a reminder, submitting documentation by Payroll deadlines ensures employees are paid accurately and on time.

Reporting Docks

- Before approving the dock, be sure that the employee has exhausted their applicable leave credits.
- Please ensure all docks are entered into Absence Management by posted due date.
- Timekeepers must also email their Payroll Tech with employees' Coyote Id Number, Name, and dock dates. All Supervisors and employees must be cc'd.
