**Subject:** Good News: Budget Update

Dear Faculty,

Following a tightening of the budget due to economic losses incurred from COVID-19, I am excited to share some good news with you. Based on our budget projections for AY 2021-22:

- Carry-forward professional development funds will be extended another year, through June 30, 2022;
- One course release for research or other scholarly efforts will be provided to untenured faculty who are in years three to five of their appointment, are untenured in AY 2021-2022, and are no longer receiving reassigned time per the CBA or the employment contract; and
- All sabbaticals recommended for funding in AY 2021-22 have been approved.

Thank you for *all* you do to support and advance our students and university.

Best,  
Shari
