

Quick reference to Business Units and Charts of Accounts

The campus Chart of Accounts (COA) encompasses **5 different Business Units**. A **Business Unit (BU)** is a financial operating structure (or financial “world”) that contains specific operational rules and processes and a Chart of Accounts (chartfield) structure.

Our campus contains 5 Business Units:

SBASI – Associated Students Inc. (**ASI**)

SBCMP – California State University San Bernardino – main operating Business Unit

SBFDN – University Enterprises Corporation (**UEC**) Prior to 7-1-2011, CSUSB Foundation

SBPHL – CSUSB Philanthropic Foundation

SBSUN – Santos Manuel Student Union (**SMSU**)

Each of these Business Units has its own operating rules and Fund chartfields. It is important to familiarize yourself with which Funds your department has and in which Business Unit they reside and operate. Training courses are available for any fund.

Account chartfields are shared across Business units

Funds are specific to the Business Units they operate in.

DeptIDs are shared across Business Units

Class chartfields are specific to FDN and PHL. They are shared in CMP, ASI, and SUN

Project chartfields are specific to FDN and PHL. They are shared in CMP, ASI, and SUN
