

MASTER OF ARTS IN REHABILITATION COUNSELING

Degree Requirements (Minimum 72 units)

The Master of Arts in Rehabilitation Counseling offered by the College of Education is designed to prepare students to work with individuals with disabilities in public and private rehabilitation agencies, hospitals, industry and related fields. The graduate program, a three-year course of study, will train students in rehabilitation counseling, vocational evaluation and job placement of persons with disabilities. Graduates of the program will be prepared to take the certified rehabilitation counselor examination.

The following EXAMPLE course sequence is effective Fall 2013 and is subject to change at any time.
