

REQUEST FOR APPROVED SUBJECT MATTER COMPETENCY EVALUATION INSTRUCTIONS

The Request for Approved Subject Matter Competency Evaluation is a service offered and conducted by a department Authorized Evaluator (**Art, English, Kinesiology and Mathematics only**) to determine the equivalency of a Commission on Teacher Credentialing (C.T.C.) approved subject matter competency program available at CSUSB in lieu of passage of the California Subject Examination for Teachers (CSET) examination. NOTE: Effective May 3, 2012, this evaluation is available only to bachelor degree graduates of the California State University system.

The request may be submitted in person (see CSUSB Maps & Directions at <http://www.csusb.edu/mapsDirections/>) to Credential Processing or the Palm Desert Campus (see PDC Maps & Directions at <https://pdc.csusb.edu/campus-map-parking>), Student Services Offices (RG 203) to be forwarded to Credential Processing. It is highly recommended that the applicant maintain copies of all documentation submitted to Credential Processing for their own personal records since all documentation, including transcripts, becomes the property of the College of Education and will not be returned or photocopied for the applicant.

Credential Processing will submit the request to the appropriate department for evaluation and when completed, the results of the evaluation will be mailed to the applicant at the address listed on the Request for Approved Subject Matter Competency Evaluation. Please note that the evaluation processing time varies per department. If the results of the evaluation identify coursework to be complete in order to meet the equivalency of the approved subject matter preparation program, all coursework must be completed at CSUSB (unless the student receives prior written approval from the department evaluator) with a grade no lower than a "C-".
