Thesis Review Roadmap

1. PREPARE:
   - Finish all writing (abstract, acknowledgements, etc.) and defense, if required.
   - Format following the Graduate Studies guidelines
   - Check citations and list of references
   - Attend thesis workshops
   - Schedule a thesis consultation (encouraged but not required)

2. SUBMIT:
   (Complete the steps in any order)
   - Pay the digital archiving fee
   - Get your professors’ signatures on the Committee Certification Form
   - Submit your manuscript on Scholarworks
   - Submit early! (Submissions close at 5:00 pm on deadline date)

3. REVISE:
   - Watch for an email from Scholarworks listing formatting changes.
   - Make the changes and resubmit.
   - Contact Graduate Studies if you have any questions.

4. PUBLISH:
   - Watch for a publication notification via Scholarworks.
   - Forward the notification to your professor. Receive your grade.
   - Congratulations! Celebrate your success!
