Subject: Register for Strategic Plan Feedback Forum

To: Colleagues

Dear Colleagues,

Please join us **March 7th from 12:00-1:30pm** in the SMSU South Events Center for the Strategic Planning Feedback Forum (flyer attached). Our Strategic Planning [Task Force Team](#) has been dedicating their time to creating draft goal statements and objectives to present to the campus community. We ask that attendees register in advance using [this link \[tinyurl.com\]](#). Help spread the word! We want participation from all members of our campus community. A recording of the event will be circulated for those who cannot attend live, and a feedback survey will be available from March 7-15th. You can also share your voice through [the Strategic Plan website](#) on an ongoing basis. We look forward to seeing you March 7th!
