"The pathway program has challenged me, humbled me, and helped build my confidence."

– Kristina Schaab, MSW Alumni

"Exceptional online education without the stress of attending a classroom. This program provided me a chance to manipulate my schedule in order to incorporate school work, family and job duties. I have had so much support from our cohort, faculty and staff, which has made this journey a wonderful experience. Without this program I would have been forced to make some difficult decisions long-term. Instead, I have an extremely bright future ahead, with an endless amount of gratitude to have been part of such a great program."

– Vanessa House, Current Student
