CSE 482 Senior Project Presentation

Date

December 7, 2021

Time

11:00am

Location

<https://csusb.zoom.us/j/2905567764>

Title

Senior Project

Student

Kelsey Burgos

Advisor

Professor Bilal Khan

Abstract

Creating two websites, using 3js for students who are studying Cyber Security at Chaffey College. Seeing how 3js is used to create unique looking websites and how it can be implemented easily.
