SPRING 2022 FINAL EXAMINATION SCHEDULE May 14 – 20, 2022

Each lecture/seminar/discussion classes scheduled into a standard time block is assigned an examination day/time. Exams may <u>not</u> be taken before or after the scheduled period nor may the time of an examination be changed without authorization from the college Dean. Permission to take a final examination with a different section of the same course may be granted by the college Dean and consent of the instructors. Failure to take/pass a final exam will result in deficiencies at the discretion of the instructor.

The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of May 14 - 20, 2022. All sections of MATH 1401, 1402, 1403, and 2210 share a common final exam on May 14. Verify your final examination date with your instructor.
