

# Mission, Vision, and Values Worksheet

## Mission Statement

Your mission statement describes your overall purpose and career-life objectives.

Key questions to consider:

1. What interest you? What do you prefer to do?

---

---

Write down what is most important to you

2. What are you good at? How good are you at it? What makes you different from everyone else?

---

---

Articulate your most important goals.

3. Who are you? What is important in your job, personal life? What is the essence of what you are trying to achieve?

---

---

Talk to your peers. Identify the legacy you want to leave.
