

2020 Virtual Commencement

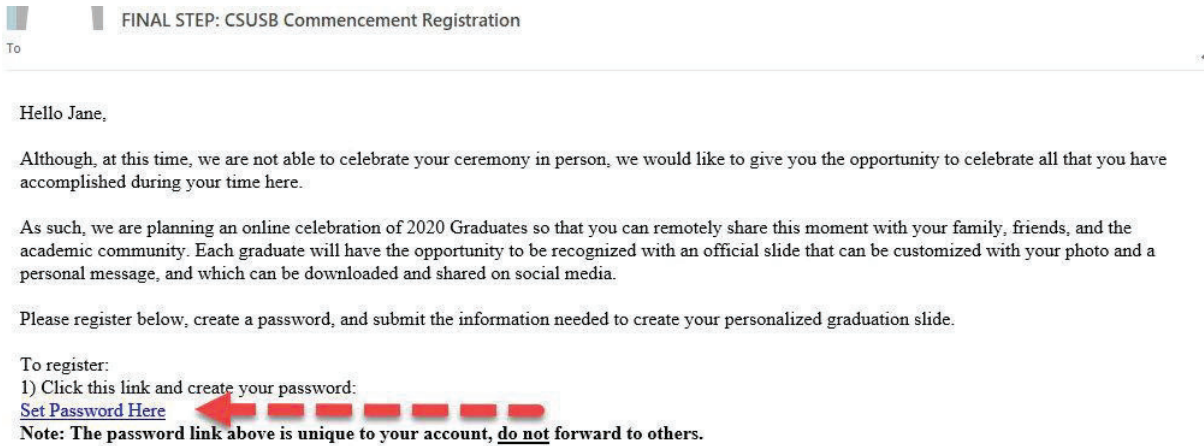

Congratulations Graduates!

Although we are not able to celebrate in person at this time, we want to make your upcoming Virtual Commencement registration as seamless as possible. Follow the steps below to customize your Commencement slide!

Step 1: Check your email

All eligible graduates received an email similar to the one pictured below. Sometimes our emails like to hide out in your junk folders so be sure to check there too! You will need this email to create your Marching Order Profile.

Step 2: Register for your ceremony

Once on the Marching Order homepage, you will see your Ceremony information and some guidelines. Click the "Register Here" button to proceed.
