

# SUMMER 2022

## FINAL EXAMINATION SCHEDULE

Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign. Please contact your instructors if you have multiple exams scheduled for the same day and time.

**The final examination for classes meeting at times other than those listed will be arranged by the instructor during the final exam scheduled for the session. Due to the compressed nature of final exams in summer sessions exam conflicts may exist. Verify your final examination date with your instructor.**
