Applications and Guidelines are available electronically
at: csusb.infoready4.com

Proposals for the Faculty Summer Research Fellowship (\$3,000) are now being accepted. The purpose of this award is to encourage faculty to engage in research or creative activity that will enhance their professional growth.

Proposals must clearly demonstrate quality in terms of the following:

- CLARITY
- OBJECTIVES
- METHODS
- FEASIBILITY
- OUTCOMES

The proposal should not include the name or other identifying information about the applicant except on the cover page.
