INDEPENDENT AUDITORS' REPORT

Board of Directors
University Enterprises Corporation at CSUSB
San Bernardino, California

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of University Enterprises Corporation at CSUSB (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of University Enterprises Corporation at CSUSB, as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of University Enterprises Corporation at CSUSB and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of a Matter

As discussed in Note 1 to the financial statements, University Enterprises Corporation at CSUSB adopted new accounting guidance for leases. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about University Enterprises Corporation at CSUSB's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of University Enterprises Corporation at CSUSB's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about University Enterprises Corporation at CSUSB's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinion on the financial statements as a whole. The schedule of net position, the schedule of revenues, expense, and changes in net position, and other information as listed in the table of contents, in addition to the listing of Board of Directors, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

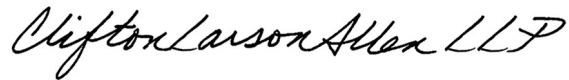

Board of Directors
University Enterprises Corporation at CSUSB

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 13, 2023, on our consideration of University Enterprises Corporation at CSUSB's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of University Enterprises Corporation at CSUSB's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering University Enterprises Corporation at CSUSB's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the University Enterprises Corporation at CSUSB's 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 13, 2023. In our opinion, the summarized comparative information presented herein as of and for the fiscal year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 1 SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

University Enterprises Corporation at CSUSB was created on July 31, 1962 as the San Bernardino-Riverside State College Foundation pursuant to the general nonprofit corporation laws of the state of California. On October 30, 1984, the name of the corporation was changed to The Foundation for California State University, San Bernardino (the Foundation). On July 1, 2011, the name of the corporation was changed to University Enterprises Corporation at CSUSB (UEC). At that time all endowment and gift assets, with the exception of charitable remainder trusts set up with the UEC acting as trustee, were transferred to the newly created Philanthropic Foundation. The UEC was organized to promote and assist education, administration and related services of the California State University, San Bernardino. The UEC operates as an auxiliary organization of the California State University, San Bernardino (University) under an operating agreement with the Trustees of the California State University (Trustees) which expires June 30, 2030.

Major Program Services

The UEC's major program services include:

Commercial Operations, consisting of vending and contract oversight of campus bookstore and dining service operations.

Sponsored Programs, which includes the operation and administration of externally funded sponsored projects in support of the instructional, research and public functions of the University.

Campus Programs, consisting of the operation of the on-campus Child Care Center, Infant Toddler Center, PC Lab, and Alumni Relations.

Estimates

The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets, liabilities, revenues and expenses, as well as the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates. Management also determines the accounting principles to be used in the preparation of the financial statements. A description of the significant accounting policies employed in the preparation of these financial statements follows.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

**NOTE 1 SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Basis of Accounting and Presentation

The financial statements of the UEC have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205. Accordingly, information regarding financial position, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of UEC and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations, and which may be designated for specific purposes by action of the board of directors.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both

Cash and Cash Equivalents and Concentrations

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid investments with a maturity of three months or less from date of purchase. UEC maintains its cash balances in three financial institutions. The Federal Deposit Insurance Corporation (FDIC) insures up to \$250,000 per depositor, per insured bank, for each account ownership category. These balances may at times exceed the FDIC limit. As of June 30, 2023, UEC had \$2,795,622 above federally insured limits. However, the financial institutions have secured the deposits by pledging securities in an individual collateral pool, held by a depository, regulated under state law. Accordingly, UEC believes it is not exposed to any significant credit risk on cash and cash equivalents.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. The fair value of investments in securities is based on the quoted market price of the underlying securities. Investments in real estate are stated at acquisition cost. Unrealized gains and losses are included in the change in net assets. Short-term investments consist of debt securities with original maturities of 12 months or less. Long-term investments consist of debt securities with original maturities greater than 12 months.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

**NOTE 1 SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Prepaid Expenses

Prepaid expenses are advance payments for products or services that will be used in UEC's programs or activities in subsequent periods.

Receivables and Allowances

Other receivables are presented net of an allowance for doubtful accounts. The allowance is based on prior years' experience and management's estimate of collectability. Management estimates that all receivables at June 30, 2023 are fully collectible, and therefore no allowance has been presented.

Property, Plant, and Equipment

Property, plant, and equipment are carried at cost or, if contributed, at fair market value at the date of contribution. Intangible assets include patents and software. UEC's policy is to capitalize additions and improvements that significantly add to productive capacity or extend the useful life of an asset and are above \$5,000. Repairs and maintenance are charged to operations as incurred. Costs and related allowances for depreciation of property, plant, and equipment sold or otherwise retired are eliminated from the accounts and gains or losses on disposition are included in the changes in net assets. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the assets.

Property acquired with federal and/or state funds is considered to be owned by UEC while used in the program(s) for which it was purchased or in other future authorized programs. Disposition of such equipment and the ownership of any proceeds there from is subject to federal and state regulations.

Donated Materials, Services, and Other Assets

Donated materials and other assets such as stocks, bonds, and other long-lived assets are recorded at their estimated fair value at the date of donation.

Volunteers contribute time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet the recognition criteria prescribed by generally accepted accounting principles.

Revenue and Revenue Recognition

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expirations of donor-imposed restrictions on net assets, that is, the donor-imposed stipulated purpose has been accomplished and/or the stipulated time period has elapsed, are reported as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same year the gift is made are reported as contributions without donor restrictions. Gains and losses on assets and liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 1 SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Revenue and Revenue Recognition (Continued)

Unconditional promises to give are recognized initially at fair value as contributions revenue in the period such promises are made by donors. Conditional promises are recorded as revenue once the conditions are substantially met. Contributions are recognized as donor restricted net assets if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restriction and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same year the gift is made are reported as contributions with donor restrictions and releases in the current year.

Grants and Contracts comprise of cost-reimbursable contracts and grants, which are conditional contributions recognized in accordance with the policy described in the preceding paragraph, and exchange revenue related to the value of the benefits received by the funding agency, which is recognized as the services are provided. Amounts received under cost-reimbursable contracts are recognized as earned and are reported as revenue when UEC has incurred expenditures in compliance with specific contract or grant provisions. Amounts received but not yet earned are reported as deferred revenue in the statement of financial position. UEC received cost reimbursable grants of \$6,648,916 that have not been recognized at June 30, 2023 because qualifying expenditures have not yet been incurred.

Special Program revenue consists primarily of unconditional contributions.

Commissions revenue is recognized when earned in accordance with the terms and conditions contained in the agreements with the third-parties. UEC receives a percentage of proceeds derived from Bookstore and Food Services operations as well as vending machines. The contractor of the Bookstore operation provides a guaranteed commission for the life of the contract. The Food Services commission is based on a percentage of gross sales.

Concentrations

Receivables at June 30, 2023 include amounts due from students, governmental funding sources, and the California State University, San Bernardino.

Income Taxes

UEC is a nonprofit tax-exempt corporation organized under Internal Revenue Code Section 501(c)(3) and is classified as other than a private foundation. It is also exempt from state income taxes. However, any unrelated business income may be subject to taxation. The UEC had no obligation for any unrelated business income tax during the year.

NOTE 1 SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Comparative Totals

The financial statements and notes include certain prior year summarized comparative information in total, but not by net assets class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the University Enterprises Corporation at CSUSB's financial statements for the fiscal year ended June 30, 2022, from which the summarized information was derived.

Change in Accounting Principal

The entity has adopted FASB ASC 842, *Leases*, for the year ended June 30, 2023 and applied it to the earliest period presented and has determined the adoption to be material to the financial statements. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year.

Leases

UEC leases its facilities under noncancelable leases arrangements. UEC determines if an arrangement is a lease at inception. In evaluating contracts to determine if they qualify as a lease, UEC considers factors such as if UEC has obtained substantially all of the rights to the underlying asset through exclusivity, if UEC can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Operating and financing leases are included in other assets - right-of-use (ROU) and lease liabilities on the accompanying balance sheet. ROU assets represent UEC's right to use an underlying asset for the lease term and lease liabilities represent UEC's obligation to make lease payments arising from the lease.

ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. For leases that do not provide an implicit rate, UEC has elected to use a risk-free discount rate of a period comparable with that of the lease term for computing the present value of lease liabilities. The lease ROU assets also include any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that UEC will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

**NOTE 1 SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Leases (Continued)

UEC has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the accompanying balance sheet.

UEC has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component. UEC's lease agreements do not contain any material residual value guarantees or material restrictive covenants. Additionally, the individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, UEC has elected to use the risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of the lease liabilities.

Subsequent Events

Management has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

NOTE 2 INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 2 INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Money Market Funds – Money Market Funds are valued at net asset value (NAV) of \$1 per share, and are comprised of short-term (less than one year) securities representing high-quality, liquid debt and monetary instruments.

Mutual Funds – Shares of mutual funds are valued at quoted market prices, which represent the net assets value of shares held by UEC at year-end.

Equity Securities – Equity securities are valued at last quoted sales price as of the close of trading at year-end; such securities, not traded on the year-end date, are valued at the last quoted bid price.

Fixed Income Securities – Fixed income securities are valued using the last quoted bid price.

Investment Pool (SWIFT) – The pool investment is reported at fair value as provided by the University System.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although UEC believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at June 30, 2023 are as follows:

	Total	Fair Value Measurements at June 30,		Level 3
		Level 1	Level 2	
Short-term investments:				
Money market funds	\$ 8,207,214	\$ 8,207,214	\$ -	\$ -
SWIFT investment fund	1,968,129	-	1,968,129	-
Mutual funds	1,033,592	1,033,592	-	-
Equity securities	60,729	60,729	-	-
Total short-term investments	\$ 11,269,664	\$ 9,301,535	\$ 1,968,129	\$ -

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 2 INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

UEC has pooled investments with the CSU Systemwide Investment Fund Trust (SWIFT). As a result of a 2007 change in Education Code 89721(l) that allowed CSU to self-manage student tuition and fees, CSU created a central banking system and created the SWIFT investment portfolio for the purpose of enhancing centralized cash and investment management. Because the central banking system and SWIFT are inextricably linked, each member in the central banking system is also a member in SWIFT, also referred to collectively as “the Bank of CSU”. These funds are reported as a short-term investment. The SWIFT consists of investments of cash on an overnight and/or short-term basis, the funds representing the float on funds collected from all eligible sources prior to their use for payment of accounts payable and payroll. Excess cash over and above what is needed to fund short-term payables and payroll are transferred to medium or longer term investments.

Investment fees for the year ended June 30, 2023 amounted to \$6,098 and are netted against investment income on the statement of activities.

NOTE 3 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment consisted of the following at June 30, 2023:

Land	\$	4,640
Construction in process		37,259
Buildings		2,196,396
Equipment, furniture and fixtures		4,684,605
Leasehold improvements		3,015,871
Intangible assets		<u>189,057</u>
		10,127,828
Less: accumulated depreciation and amortization		<u>(6,958,166)</u>
Property, plant and equipment, net	\$	<u><u>3,169,662</u></u>

The buildings are located on land leased from the State of California. Because of the relationship between UEC and the University, the building is being depreciated over its estimated useful life rather than the term of the lease which expired December 31, 2017.

Depreciation expense for the year ended June 30, 2023 was \$663,755.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 4 LEASING ACTIVITIES

The UEC has operating and financing leases of buildings for administrative offices and for certain equipment. The leases have remaining lease terms of 1 year to 15 years, some of which include options to extend the leases for up to 5 years, and some of which include options to terminate the leases within 1 year.

The following summarizes the line items in the statements of financial position which include amounts for operating and finance leases as of June 30:

	<u>2023</u>
Operating Leases	
Operating lease right-of-use-assets	<u>\$ 4,116,598</u>
Operating lease liabilities	<u>4,175,569</u>
Total operating lease liabilities	<u><u>4,175,569</u></u>

The following summarizes the weighted average remaining lease term and discount rate as of June 30:

	<u>2023</u>
Weighted Average Remaining Lease Term	
Operating leases	2.57 years
Weighted Average Discount Rate	
Operating leases	3.68%

The maturities of lease liabilities as of June 30, 2023 were as follows:

Year Ending June 30th:	<u>Operating</u>
2024	\$ 987,669
2025	1,004,296
2026	1,053,583
2027	1,118,893
2028	<u>11,128</u>
Total lease payments	4,175,569
Less: interest	-
Present value of lease liabilities	<u><u>\$ 4,175,569</u></u>

The following summarizes the line items in the statements of activities which include the components of lease expense for the year ended June 30:

	<u>2023</u>
Operating lease expense included in management and general expenses	<u><u>\$ -</u></u>

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS

NOTE 4 LEASING ACTIVITIES (CONTINUED)

The following summarizes cash flow information related to leases for the year ended June 30:

		2023
Cash paid for amounts included in the measurement of lease liabilities:		
Operating cash flows from operating leases	\$	1,133,117
Lease assets obtained in exchange for lease obligations:		
Operating leases		-

NOTE 5 BOARD-DESIGNATED AND DONOR RESTRICTED NET ASSETS

UEC's governing board has designated, from net assets without donor restrictions of \$2,231,164 net assets for the following purposes as of June 30, 2023:

Board-Designated Net Assets		
Current Operations Reserve	\$	302,254
Working Capital Reserve		843,899
Unplanned Capital Replacement Reserve		409,620
Capital Projects Reserve		300,000
Undesignated General Reserve		25,391
Sponsored Programs Reserve for Disallowances		350,000
Total Board-Designated Net Assets	\$	2,231,164

There were no net assets with donor restrictions at June 30, 2023.

NOTE 6 DEFINED BENEFIT PENSION PLAN

Plan Description

UEC contributes to the California Public Employees' Retirement System (PERS), a cost-sharing multiple employer public employee retirement system that acts as a common investment and administrative agent for participating public entities within the state of California. All employees who are current members of PERS or employed for more than six months or accumulate 1,000 hours of paid employment are eligible to participate in PERS. Benefits vest after five years of PERS credited service, usually five years of full-time service. UEC employees who retire at or after age 50 with five years of credited service are entitled to an annual retirement benefit, payable for life, in an amount equal to a percent of pay, on a scale based on age and years of service, of the average monthly pay rate for the highest consecutive 12 months of compensation. PERS also provides death and disability benefits. These benefit provisions and all other requirements are established by state statute and UEC policies. Copies of CalPERS' annual financial report may be obtained from the CalPERS's website, at www.calpers.ca.gov.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 6 DEFINED BENEFIT PENSION PLAN (CONTINUED)

Plan Description (Continued)

Effective January 1, 2013, Public Employees' Pension Reform Act (PEPRA) implemented new benefit formulas and final compensation period, as well as new contribution requirements for new employees hired on or after January 1, 2013, who meet the definition of new member as per PEPRA.

Funding Policy

UEC employees are required to contribute 5% of their annual covered earnings over \$513. UEC is required to contribute the remaining amounts necessary to fund the benefits for its members, using the actuarial basis recommended by the PERS actuaries and actuarial consultants and adopted by the Board of Administration. The required employer contribution rate for the year ended June 30, 2023 was 13.61% for the miscellaneous plan and 7.76% for the miscellaneous tier 1 plan (PEPRA). The payroll for employees covered by PERS for the year ended June 30, 2023 was \$15,612,223. Total payroll for the year ended June 30, 2023 amounted to \$17,753,875. Employer contributions for the year ended June 30, 2023 were \$840,478 based on amounts required to be contributed. Total employee contributions for the year ended June 30, 2023 were \$611,695.

The following table presents a reconciliation of net pension liability:

	Plan Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Plan Net Pension Liability (c) = (a) - (b)
Miscellaneous Plan	\$ 39,197,544	\$ 32,852,068	\$ 6,345,476

Plan assets and funded status of the plan is as follows:

<u>Valuation Date</u>	<u>Measurement Date</u>	<u>Accrued Liability</u>	<u>Actuarial Value of Assets (AVA)</u>	<u>Funding Actuarial Excess</u>	<u>Funded Ratio AVA</u>
June 30, 2021	June 30, 2022	\$ 39,197,544	\$ 32,852,068	\$ 6,345,476	83.81%

Items not yet recognized as a component of net periodic pension cost during the year are as follows:

	<u>Future Pension Cost Outflows</u>	<u>Future Pension Cost Inflows</u>
Changes of Assumptions	\$ 650,227	\$ -
Differences between Expected and Actual Experience	127,430	85,347
Differences between Projected and Actual Investment Earnings	1,162,323	-
Differences between Employer's Contributions and Proportionate Share of Contributions	-	984,791
Change in Employer's Proportion	2,015,156	-
Pension Contributions Made Subsequent to Measurement Date	840,478	-
Total	\$ 4,795,614	\$ 1,070,138

NOTE 7 OTHER POSTEMPLOYMENT BENEFITS

UEC has one retiree health plan that offers active and retired employees the option of enrolling in certain HMO or indemnity plans available through the program. UEC currently pays up to \$575 per month for retiree coverage, \$1,113 per month for coverage with one dependent and \$1,414 for coverage with two or more dependents of retirees. Retiree contributions are to fund the cost of coverage that exceeds these amounts. The accounting for the health care plan anticipates future cost-sharing changes to the written plan that are consistent with UEC's past practice and management's intent to manage plan costs. In particular, UEC's maximum increase in the capped contribution is assumed to be limited to 2.5%. UEC no longer offers retiree medical benefits to employees hired after September 11, 2009. The following is a summary of change in accumulated postemployment benefit obligation, change in plan assets, and funded status of the plan.

Change in accumulated postemployment benefit obligation (APBO)

APBO at beginning of year	\$ 4,099,584
Service cost (excluding expenses)	13,194
Interest cost	175,188
Actuarial (gain) loss	(491,304)
Benefits paid	<u>(220,329)</u>
APBO at end of year	<u>3,576,333</u>

Change in plan assets

Fair value of assets at beginning of year	3,382,836
Actual return on assets (net of expenses)	288,313
Employer contribution	220,329
Benefits paid	<u>(220,329)</u>
Fair value of plan assets at end of year	<u>3,671,149</u>

<i>Funded status - unfunded net OPEB liability</i>	<u>\$ (94,816)</u>
---	---------------------------

Amounts recognized in the statement of financial position consist of:

Current liabilities	\$ (212,981)
Noncurrent liabilities	<u>307,797</u>
Total recognized on Statement of Financial Position	<u>\$ 94,816</u>

Components of net periodic postretirement benefit cost (NPPBC)

Service cost (including expenses)	\$ 13,194
Interest cost	175,188
Expected return on plan assets	(202,970)
Amortization of net (gain) loss	<u>(347,826)</u>
Net periodic postretirement benefit cost	<u>(362,414)</u>

Other changes in plan assets and benefit obligations recognized in AOCI

Net actuarial (gain) loss	(576,647)
Amortization of actuarial (gain) loss	<u>347,826</u>
Total recognized	<u>(228,821)</u>

Total recognized in change in net assets	<u>\$ (591,235)</u>
--	---------------------

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 7 OTHER POSTEMPLOYMENT BENEFITS (CONTINUED)

The assumptions used in the measurement of UEC's benefit obligation and net periodic postemployment benefit cost included a 4.39% weighted-average discount rate as of and for the year ended June 30, 2022. A weighted-average discount rate of 2.65% was used as of and for the year ended June 30, 2022.

Medical plan premiums and CalPERS minimum employer contributions are assumed to increase at rates shown in the following table:

<u>Year</u>	<u>Rate</u>
2022	6.00%
2024-2069	5.20%
2070+	4.00%

Assumed healthcare cost trend rates have a significant effect on the amounts reported for the healthcare plan. A 1% increase in the assumed healthcare trend rates would have the following effects:

	<u>Dollar Increase</u>	<u>Percent Increase</u>
Accumulated post-employment benefit obligation (Increase)	\$ 465,410	13.00%

A 1% decrease in the assumed healthcare trend rates would have the following effects:

	<u>Dollar Decrease</u>	<u>Percent Decrease</u>
Accumulated post-employment benefit obligation (Decrease)	\$ 385,295	10.80%

The Plan is funded on a pay-as-you-go basis; the expected contribution for the following year is the same as the expected future benefit payments for such year. UEC paid \$47,333 during the year ended June 30, 2023, for current benefit costs.

The expected benefits to be paid are as follows:

<u>Years Ending June 30,</u>	<u>Amount</u>
2024	\$ 213,139
2025	191,558
2026	202,206
2027	200,560
2028	206,678
Thereafter	889,584

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 7 RELATED PARTIES AND ECONOMIC DEPENDENCY

As discussed in Note 1, UEC operates under an agreement with the Trustees as an auxiliary organization of the University. Accordingly, essentially all revenues and realization of certain assets, are dependent upon the continuation of this agreement. UEC leases space for its bookstore operations, the Center for Developmental Activities, and the land for UEC's offices for nominal rent from the state of California. Accounting principles generally accepted in the United States of America require that contribution revenue and rent expense be recorded for the difference between a fair market rent and the amount actually charged under these leases. However, UEC has not determined a fair market rent and, accordingly, these amounts are not recorded in the financial statements.

A schedule of related party transactions between UEC, University, and other auxiliary organizations are as follows:

For the year ended June 30, 2023	CSUSB	Associated Students	Philanthropic Foundation	Santos Manuel Student Union	Total
<u>Expenses</u>					
Payments to Univ/Aux for salaries of personnel working on contracts, grants, and other programs	\$ 3,470,199	\$ -	\$ -	\$ 528	\$ 3,470,727
Payments to Univ/Aux for other than salaries of personnel	6,608,497	-	141,578	106,831	6,856,906
<u>Revenues</u>					
Payments received from Univ/Aux for services, space and programs	7,361,613	162,000	841,137	-	8,364,750
<u>Due to</u>					
Accounts Payable due to Univ/Aux as of June 30, CY	(2,288,816)	-	(4,650)	(24,212)	(2,317,678)
<u>Due from</u>					
Accounts Receivable due from Univ/Aux as of June 30, CY	153,168	-	78,020	-	231,188

NOTE 8 AVAILABLE RESOURCES AND LIQUIDITY

UEC regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. UEC has various sources of liquidity at its disposal, including cash and cash equivalents, short-term debt and equity securities, and receivables due within the next 12 months.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, UEC considers all expenditures related to its ongoing activities of commercial operations, campus programs, and sponsored programs, as well as the general and administrative services undertaken to support those activities to be general expenditures.

UNIVERSITY ENTERPRISES CORPORATION AT CSUSB
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 8 AVAILABLE RESOURCES AND LIQUIDITY (CONTINUED)

In addition to financial assets available to meet general expenditures over the next 12 months, UEC operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures. Refer to the statement of cash flows, which identifies the sources and uses of UEC's cash and shows positive cash generated by operations for fiscal year 2023.

As of June 30, 2023, the following tables show the total financial assets held by UEC and the amounts of those financial assets that could readily be made available within one year of the balance sheet date to meet general expenditures. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the balance sheet date.

Financial Assets:	2023	2022
Cash and Cash Equivalents	\$ 2,369,649	\$ 7,798,817
Investments Convertible to Cash in the Next 12 Months	11,269,664	6,381,966

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
University Enterprises Corporation at CSUSB
San Bernardino, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of University Enterprises Corporation at CSUSB, (a non-profit organization), which comprise the statement of financial position as of June 30, 2023 and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statement, and have issued our report thereon dated October 13, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered University Enterprises Corporation at CSUSB's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of University Enterprises Corporation at CSUSB's internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether University Enterprises Corporation at CSUSB’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
