If you are caught using illegal drugs on-site by host-country personnel, you will be immediately dismissed from the study abroad program.
- ▶ Authorities will also carry out an investigation and you will have lawful consequences.

FEELING SICK?

- ▶ Report any illness to your local host coordinator, roommate, USF or local faculty and ask for assistance.
- ▶ Bring all medications in original bottles with back-up prescriptions. Remember this goes for vitamins, supplements and over-the-counter drugs too.
- ▶ Prescription glasses (2 sets preferred), contact lenses and contact-lense solution can be difficult to find in many countries so bring more than you would normally use just in case.
- ▶ Bring a Mini First aid kit.

CELL PHONES

- ▶ You can bring your own, but keep in mind the following details:
 - ▶ You can purchase a SIM card only if your cell phone is unlocked. Contract phones are usually not (i.e. Verizon, AT&T, etc.).
 - ▶ Some students have found easy to buy a small cheap phone that costs around \$20-30. It is not recommendable to do this at the airport, the best is to wait and on the first week see if it is really necessary to buy or get a phone line.
 - ▶ Even when you do not have a SIM card, you can still use the Wi-Fi to communicate while on campus or any other place with internet connection.
 - ▶ **DO NOT USE CELL PHONES IN HEALTH SITES.**
 - ▶ **DO NOT TAKE PICTURES IN HEALTH SITES.**

MONEY

- ▶ Before you go:
- ▶ Call your bank and credit card companies to let them know that you will be travelling. You can also ask if there are banks which do not charge a transaction fee.
- ▶ Make sure that you have made arrangements for your bills to be paid while away.
- ▶ Have a source of funds for emergencies: extra credit card, back-up ATM card, ways that parents or friends can put extra cash into your checking account or wire to you if needed.

MONEY

\$1 = ₡540 colones approx.

The exchange rate fluctuates everyday, to verify the rate visit Banco Central de Costa Rica:

On Monday, we will go to the bank to exchange Dollars into Colones . It is not convenient to do this at the airport.

Have a safe flight and
see you very soon!
