## Purchases

Plan ahead. Most purchase orders have a one to two day turnaround *after* receipt of an approved requisition. Orders requiring evidence of appropriate insurance where we don't already have the evidence on file can take 7-14 days and longer if the vendor is non-responsive.

1. **Credit Card** - A procurement (credit) card is primarily used for conference registrations and national membership dues for student clubs and organizations. The procurement card can also be used to pay for supplies such as t-shirts, workbooks, or other supplies, however it cannot be used for any services performed on-campus, with the exception of on campus catering. See OSE or FAC if you think you need to use a procurement card.
  - a. Complete the *University Club Financial Transaction Request Form* per instructions:
    1. Select the Credit Card Box
    2. Indicate the Amount
    3. Sign as Club Officer
    4. Obtain signature of another Club Officer

  - b. Attach registration forms, membership forms, ordering details, etc, and submit to FAC
2. **Purchase Orders** - A Purchase Order (P.O.) is required for purchases over \$1,000 where procurement card cannot be used, or for any services performed. Purchase orders are frequently used to pay for large off campus event venues, guest speakers, caterers, and DJs. Clubs are not allowed to sign contracts on behalf of the University. The FAC can assist you if you need to utilize a Purchase Order.
  - a. Complete the *University Club Financial Transaction Request Form* per instructions:

b. Attach the vendor quote, contract if applicable, and any pertinent documentation to the University Club Financial Transaction Request Form upload to [Coyote Connection](#).

c. The FAC or support staff will enter a requisition into the financial system and Procurement and Contracts will issue a purchase order.

Purchase orders are typically issued with Net 30 terms meaning that vendors will be paid after receipt of the items and within 30 days of the invoice date. Procurement and Contracts will work with vendors to obtain necessary evidence of insurance for services provided on campus. If you require a status on the purchase order, the FAC will work with Procurement and Contracts to provide you with an update.

### **Contracts/Agreements:**

Contracts and agreements must be reviewed, approved and signed by the Procurement and Contracts. **Clubs are not allowed to sign contracts on behalf of the University.** Contract language is reviewed to ensure that the University and Club are not held to unacceptable terms. If the agreement requires payment, the unsigned agreement should be included with the University Club Transaction Request Form. If no payment is required submit the unsigned agreement to the FAC and include a note requesting the contract be reviewed by Procurement and Contracts.

### **Check Requests and Check Reimbursements**

Funds must be currently available in the account to request a check payment. For purchases and items up to \$1,000.00. Check requests are commonly used to pay for supplies including marketing materials and items for events. Checks issued to vendors will be mailed to the vendor's remitting address. Checks that are required to be held for pickup must indicate such on the check request form and include the on campus contact responsible for picking up the check from Student Financial Services.

**Note - For Student or Staff/Faculty Check Reimbursement Payments Only:** *Do not use the check reimbursement process to pay for services or goods from an independent contractor, we will be unable to reimburse you.*

Students are encouraged to complete a Direct Deposit form from Accounts Payable in order to expedite their reimbursements. (This form is different/separate from the direct deposit enrollment offered through Student Financial Services. The form may be obtained from OSE or from the FAC).

## Helpful Reminders

### Raffles/Prizes:

If your club will be providing merchandise (Ipads, gift cards, etc.) as raffle prizes, the recipient must sign the Opportunity Drawing / Giveaway Form. This is a University requirement. If you fail to have a recipient complete the appropriate form this could result in your organization's loss of ability to distribute raffle/prize giveaways. Please contact the FAC with questions regarding this process.

### Donations and Sponsorships

If your club has a individual or business that would like to donate to your organization and the donor is in need of a tax receipt, please contact the FAC. You will need to establish a philanthropic account. This account will function separately from your Student Organization Trust Fund. The FAC will provide you with the appropriate contact information to work with University Advancement to establish this account.

### Independent Contractors

If you would like to hire an individual to perform guest speaking services, DJJ services, or to purchase supplies/materials from; you must work with the FAC to determine if the individual is eligible to be hired as an independent contractor. The FAC will work with CSUSB Human Resources to vet the vendor **prior to services being performed**. If you do not follow the approval process there is a chance we will not be able process payment to your vendor. Please do not pay for any services up front, we will not be able to reimburse you, your club member, or your advisor.

### Dispersal of Funds:

In the event that an club/organization does not become active during a 2 year period, any funds remaining in the student organization trust fund account will be transferred to the Office of Student Engagement. You may wish to transfer funds to an organization. (Enter the name and address of proposed organization (not an individual) in your club constitution in the Finances Section under Dispersal of Funds.)
