

Email example sent to all students:

Congratulations on your enrollment in Coyote Bookstore Customer Portal. To preserve student choice and promote student savings, Coyote Bookstore has partnered with your campus bookstore to provide this program so you will have access to all required course materials on day one of class at prices not available elsewhere. If you decide you do not want to purchase the course materials provided to you as part of the program, you can use the Coyote Bookstore Customer Portal to opt-out of the program.

IMPORTANT! Please note that if you opt-out, you will then be responsible for obtaining the required course materials on your own. Once you have opted-out, you will only be able to opt-in till 10/09/2019 and receive the special pricing that is part of the program.

If you would like to proceed with opting-out, please activate your account below by 10/09/2019 and follow the instructions.
