

Three New/Fully Online Courses to be Offered Summer 2024

**Department of Educational Leadership & Technology
Career and Technical Education Programs**

California State University, San Bernardino

ECTS 5015/6015

Working Around the World

June 3-July 3

The effects of religion, language and culture, political structure, economics, and physical environment on the development of the workplace and people's perceptions of work and occupations.

ECTS 5025/6025

Technological Literacy

June 3-July 3

This course is an exploration of technological concepts and their impact on individuals, society, and culture. Technology as a human adaptive system and its relationship to sociological and ideological systems is discussed.

ECTS 5035/6035

Technology, Ethics, and Society

July 9-August 7

A framework for understanding how human societies transform themselves through technological innovation. Ethical questions concerning the social effects of technological change.
