FEES

The Registration Payment Procedures information is available beginning on [page 108](#) or visit the Bursar web site at: [Student Financial Services website](#)

CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or Student Accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as *estimates* that are subject to change upon approval by The Board of Trustees.

WINTER 2020 FINAL EXAMINATION SCHEDULE MARCH 17 - 21, 2020

A final examination has been scheduled for each class. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may not be taken before or after the scheduled period nor may the time of an examination be changed without authorization by the corresponding college Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate college Dean with the consent of the instructors concerned. Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign.

The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of March 17 - 21, 2020. Due to the compressed nature of final exams, conflicts may occur. Verify your final examination date with your instructor.

CHICANO(A)/LATINO(A) STUDIES

College of Social and Behavioral Sciences
(909) 537-5512, SB-445
<http://ethnic.csusb.edu/>
Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

CHICANO(A)/LATINO(A) STUDIES

Liberal Studies: General Track with a concentration in Chicano(a) Studies
The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

Coordinator: Dr. Todd Jennings

CSUSB offers both a minor and certificate program in Gender and Sexuality Studies. The aim of both programs is to prepare students, through the study of gender and sexuality, with insights, knowledge, and interpretive frameworks that will equip them personally, intellectually, and professionally. The programs allow students to examine how gender and sexuality as social constructs shape individual lives, groups, institutions, and social structures. Students will have the opportunity to examine individual development, couples, families, small groups, and organizations as well as the media, arts, and economic and political systems. A description of the program is available on the program website at <http://gendersexuality.csusb.edu/> and in the annual *Bulletin of Courses*. For more information, contact the program office located in SB-209M, or at (909) 537-5255, or e-mail Dr. Todd Jennings (Program Coordinator) at tjennin@csusb.edu.

LATIN AMERICAN STUDIES

College of Arts and Letters
909) 537-7386, UH 201.43
<https://cal.csusb.edu/departments/interdisciplinary-programs>
Coordinator: Dr. Carmen Jany

The Latin American Studies minor program provides students with the opportunity to explore a wide range of subjects relating to the Western Hemisphere through an interdisciplinary curriculum that draws from the Colleges of Arts and Letters, Business and Public Administration, Education, Social and Behavioral Sciences, and Natural Sciences. The focus of the program adds an international perspective to any major. It offers physical and virtual resources to students and faculty interested in this area of the world. The Latin American Studies minor program can make a student more marketable as s/he gains more knowledge in areas of concern for today's global community. For further information, contact Dr. Carmen Jany, Latin American Studies Coordinator, UH-201.43, at (909) 537-7386. Ask about CSUSB's International Programs in Latin America.

SERVICE LEARNING

(909) 537-7483, FO-230

<http://engage.csusb.edu>

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as a part of their requirements for academic credit, while faculty help them understand the connection between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands-on use of skills and knowledge from a course
- interaction with people of diverse cultures and lifestyles
- leadership development opportunities
- gaining valuable career experience

When reregistering for classes, the system may inform you (by error message) that department consent is required in order to register for one or more of the classes. Please contact the department of the class for permission to register for the class. Departments will first check that you meet the requirements for the class before placing the permit (for permission) onto your records. This may include GPA, major, classification, and/or enrollment limits. Thinking about Dropping ALL of your Classes?

Did you receive Federal and/or State Financial Aid?

Perhaps you should do some research on R2T4!!!

Federal Financial Regulations require the university to determine the amount of federal and state aid you earned if you stop participating, withdraw or drop your classes before the 60% attendance point of the quarter. CSUSB must calculate Federal and State Financial Aid (Pell, SEOG, Cal Grants, State University Grant (SUG), EOP, Middle Class Scholarship, TEACH and Loans) earned during the period of attendance and determine the amount of funds a student will owe as a "Return to Title IV" (R2T4) refund. The chart below provides an estimate of the percentage that may have to be returned.

When will the refund be due?

Once your repayment has been calculated, you will have 45 days to repay the funds. You cannot repay these funds with future financial aid. You must repay the amount due prior to receiving Federal Financial Aid, again.

What can I do?

Make an appointment to meet with your Financial Aid Advisor to discuss your potential withdrawal and its impact on your financial aid. Visit the FAO in University Hall at UH-150, or call 909-537-5227 to make an appointment.

Show me an example, please!

Let's say ... you received a \$ 2,032 Federal Grant for Winter Quarter 2020 and drop all your classes on January 27, 2020, you would owe 76.25% (or up to \$1,549.40) back to your grant.

Return to Title IV (R2T4) Sample Refund Due Chart

If you Withdraw on this date ...	You will have to return this % of the Federal Grant you received for this term
01/05/20	98.70%
01/16/20	84.42%
01/23/20	75.32%
02/04/20	59.74%
02/13/20	48.05%
02/17/20	42.86%
02/20/20	00.00%
<p>Remember!! This calculation is separate and distinct from the refund of your fees calculations made by the Student Financial Services Office.</p> <p>You are strongly encouraged to read the complete R2T4 Policy and Procedures on-line at https://www.csusb.edu/financial-aid/current-students/other-information/withdrawing-classes</p>

Financial Aid Disbursement

WINTER 2020

Disbursements are scheduled as early as is permitted by federal regulations and are contingent on your file status and enrollment. At Cal State San Bernardino, the earliest possible disbursement date each quarter is ten (10) days prior to the first day of classes (exception: Winter Quarter earliest date for disbursement begins first business day of new year); thereafter, disbursements occur on a weekly basis each quarter. In addition, you must allow additional processing days for direct deposits to occur or for paper checks to be received by U.S. mail. Below is more important information about disbursements:

REQUIREMENTS FOR AUTOMATIC DISBURSEMENT

Your initial financial aid offer is an estimate. The amount of funds disbursed to you is based on your financial aid file status (for example, no financial aid disbursement hold, financial aid file must be complete, etc.) and your actual number of enrolled units.

- Financial aid will automatically “authorize” and “disburse” to your student account.
- Most types of aid require a minimum of ½ time enrollment, e.g. 6 units undergraduate and Credential/2nd BA students and 4 units of 500 or higher level of courses for Master’s and ED Doctoral students.
- Some types of aid will be prorated if you are enrolled less than full-time, e.g. Pell Grant, State University Grant (SUG), TEACH Grant, etc.
- Financial aid disbursed amounts are finalized as of quarterly CENSUS date.

DISBURSEMENT FOR LESS THAN FULL-TIME ENROLLMENT

If you plan to be enrolled less than full-time for the Winter 2020 Quarter, some aid types may be prorated to reflect a reduced unit load. Final financial aid adjustments are determined after quarterly census:

UNDERGRADUATE ACADEMIC ADVISING

California State University, San Bernardino is full of resources designed to ensure that students have the opportunity to meet their full potential. Advising is one of those resources. During advising sessions students are encouraged to ask questions regarding major specific scholarships, internships, career goals as well as discussing course selection. Faculty, staff and peer advisors are available to assist students by providing academic advisement during office hours or by appointment.

If you are wondering how your department handles advising, visit the Advising and Academic Services website (<https://www.csusb.edu/advising>) and plan to work with your advisor on a regular basis. Be sure to review your Program Advising Worksheet (PAWS) before your advising session.

STEPPING INTO SUCCESS

1. Review the campus Course Catalog (<http://www.csusb.edu>) - The Catalog lists all campus policies. Be sure that you use this as your reference guide as it will be your responsibility to stay abreast of important deadlines and requirements.
2. Review your PAWS report – Your PAWS is your guide to which courses need to be completed for graduation. Be sure you are using this each time you and your advisor select courses.
3. Complete your myCAP – myCAP refers to your Individual Academic Plan, which maps out the courses you must take each term in order to graduate on time. The myCAP tool allows you to drag and drop the courses from your PAWS report into a particular term on your plan.
4. Register for classes - This is done through your *MyCoyote* account. Be sure to click the “Finish Enrolling” button for all courses selected. It is a good habit to review your class schedule immediately after you register for classes. Please remember it is your responsibility to drop any unwanted classes. Do not assume that instructors will drop you.
5. Check your campus email regularly - This is the campus’ primary method of communicating with students. If you are unsure what your campus email address is listed as, call the Help Desk (909) 537-7677.
6. Check the Advising website (<https://www.csusb.edu/advising>) for academic advising resources, tutoring locations, study skills help, advising tips, and more.

Grievance Policy Information

Questions regarding the Student Academic Grievance Procedure are available from [Advising and Academic website](#).

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

- Clerical error
- Capricious or prejudicial evaluation
- Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

- Denial of Admission to or Dismissal from a course, major or program.
- Placement on Academic Probation
- Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

They may, however, participate in the CSU Intrasystem Concurrent Enrollment Program or the UCR/CSUSB Cross Registration Program but must be concurrently enrolled in (and complete) at least 12 units at CSUSB and may only enroll in upper-division courses that are not offered at CSUSB. Graduation Requirement Check

Students must request a graduation requirement check with the Office of the Registrar prior to the end of the term of their expected graduation. To avoid late fees, a graduation check must be filed by the established deadlines. Note that the **deadline is the first business day of the months listed below**. To be eligible to file a grad check, undergraduate students must have completed 135 quarter units towards their degree. This may include current work in progress. Graduate students must be advanced to candidacy.

<u>Filing Date</u>	<u>Graduation Term</u>
May 2019	Winter Quarter 2020
November 2019	Spring Quarter 2020
January 2020	Summer Quarter 2020
February 2020	Fall Quarter 2020

The fee for filing the grad check is \$25 per major, minor, concentration, option, plan, specialty or track. If the grad check is filed after the deadline, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track will be charged. The \$50 Commencement fee is due at the time the grad check is requested. Students who do not complete the requirements in the term for which the grad check was filed, must re-file and pay a \$20 re-file fee for a second grad check, per major, minor, concentration, option, plan, specialty or track. If the re-filed grad check is filed after the deadline date, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track, will be charged. The \$50 commencement fee is not accessed to re-filed grad checks under the same career (or academic program). Access to subsequent registration will not be allowed until the grad check has been re-filed. Once the grad check is completed, students will receive an email notification confirming completion and that the grad check is available to view from the student center

CSU Immunization Requirements

Immunization requirements are not admission requirements, but are required of students as conditions of enrollment in the CSU.

Entering CSU students are required to present proof of the following immunizations to the CSU campuses they will be attending before the beginning of their first term of enrollment: A) Measles, Mumps, and Rubella (MMR), B. Varicella (Chickenpox), C) Tetanus, Diphtheria and Pertussis (Tdap), D) Meningococcal conjugate (Serogroups A, C, Y, W-135), and E) Screening and Risk Assessment for Tuberculosis (TB).

In addition to these required vaccines and screenings, the Center for Disease Control and Prevention (CDC) and California Department of Public Health (CDPH) strongly recommends several additional vaccinations. For more information regarding vaccinations, screening requirements, recommendations, and immunization schedules please visit the Student Health Center's website.

Campus implementation of the required immunizations and screenings shall include provisions for exemptions based on medical considerations only.

Administrative Drop

Faculty members may initiate an administrative drop of a student in their courses based on any one of the following criteria.

Lack of attendance: Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

Prerequisites not met: Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

Not admitted to the major: Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.

Attending Classes

1. No student may attend classes until his/her registration has been completed.
2. Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
3. A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

Auditing Courses

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

Course Overload Permits

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better.

Approved Course Overload Permits will be accepted at the Office of Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and **HOLDS** must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

1. Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2).

Closed courses **without** an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS".

2. **Obtain the authorized signature of approval from the College Dean.**

Declared undergraduates see the dean of the college of your major for approval.

Undeclared undergraduates see the Dean of Undergraduate Studies for approval.

Classified graduates and post-baccalaureates see their graduate coordinator for approval.

Unclassified graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

3. **Once approved**, take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

Credit By Examination

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

1. Student must register for the examination in the office of the college or department concerned before the first day of classes of the quarter in which the course is offered.
2. Student must complete the examination within the first two weeks of the quarter. (**NOTE:** Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
3. Credit by examination may only be earned by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current [Course Catalogs](#) for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.

Open University

Gateway to University courses for non-admitted students

Open University makes it possible for you to take degree-applicable CSUSB courses, on a space-available basis without being formally admitted to the University. Some classes may require you to meet the necessary prerequisites, if any, before enrolling.

Open University is a program designed for those who:

- want to examine a particular field before seeking admission to the university and enrolling in a degree program;
- want to update professional skills;
- missed the deadline for admission to CSUSB;
- have stopped attending CSUSB and wish to reenter;
- want to improve their GPA to reenter an academic program;
- wish to take selected CSUSB courses that will transfer to another university; or
- want to take a course for the enjoyment of learning.

The Open University program can help you update professional skills, prepare for a career change, enrich your personal development or work toward a degree. Many of the regular courses are held in the late afternoon and evenings, which provide opportunities for working adults.

For a listing of courses, consult the CSUSB Schedule of Classes.
