UEC Food and Dining Services Q&A

Q&A

- Do all Food and Dining service requests need to go through Yotie Eats?
 - YES, all requests can be submitted by filling out the online form. [Go to CSUSB.edu/Dining Request Form](https://www.csusb.edu/dining/request-form)
 - Is there a dollar threshold to contact Yotie Eats?
 - YES, if your request for purchasing food is less than \$250 including tax, then your department has the ability to bring food from off-campus. However, Yotie Eats can provide most things that one would bring from off campus at competitive pricing. Also, we can invoice the department so that you don't have to wait for reimbursement if paid out of pocket.
 - Do all Depts have to go through this review process?
 - YES this applies to ALL business units and ALL departments
 - Does this apply to Palm Desert Campus?
 - Yotie Eats currently does not have an established food support unit at the PDC. No email approval is required. However, certain major catered events can be supported. Fill out this [CSUSB.edu/Dining Request Form](https://www.csusb.edu/dining/request-form) if you have a large event to cater.
 - What if we need to hire a food truck, do we still need to go through Yotie Eats? (ie, In-N-Out, Carls Jr. And Habit Burger)
 - YES. Yotie Eats is establishing a food truck guideline for ALL campus entities and departments. EHS and Yotie Eats have coordinated to assume all the work of ensuring that all approved off-campus food vendors are up to date on their permits.
 - Does Stater Brothers food requests or any food/snacks under the \$250 including tax, still go through Yotie Eats?
 - If the total cost for food and snacks are below \$250.00, then you do not need to go through Yotie Eats.
