CSE 6950 Graduate Independent Study

Date

May 20, 2022

Time

1:00 PM – 2:00 PM

Location

<https://csusb.zoom.us/j/88015198970>

Title

Step into Deep Learning

Student

Takenori Tsuruga

Advisor

Dr. Haiyan Qiao

Abstract

The purpose of this independent study is to bridge some of the gaps toward the master project in the area of deep learning. The presentation will share the learning experience in a concise manner, covering basics of image classification and regression problems with deep learning. While there are many choices of language and framework, this independent study utilized R with Keras.
