

Group & Individual Study Rooms

Group Study Rooms: Pfau Library has 23 group study rooms. Most have whiteboards; dry-erase markers and erasers are available at the Library Service Desk. All have at least one electrical outlet. Please close the door to keep your conversations from bothering others. *Group study rooms are only for groups of at least two people!* An individual cannot "hold" a room for a group, and any individual found occupying a group study room must vacate it if a group arrives.

- **Smart Study Rooms:** Five of the group study rooms have a 65-inch flat screen monitor and AirServer unit to transmit from mobile devices to the monitor. Thank you, VET!!
- **NEW! Conference/Collaboration Room PL-111**, next to Starbucks, seats 14 and supports videoconferencing.

Individual Study Carrels: Ten are available on the 4th floor. All but one have electrical outlets.

Reservations

All rooms & carrels may be reserved in advance except PL-503, which is a shared Multi-Group Study Room with several tables and whiteboards.

Make reservations at <https://www.csusb.edu/library/services/reserve-study-rooms>
