Group & Individual Study Rooms

Group Study Rooms: Pfau Library has 23 group study rooms. All have whiteboards; dry-erase markers and erasers are available at the Library Service Desk. All have at least one electrical outlet. Please close the door to keep your conversations from bothering others. Group study rooms are only for groups of at least two people! An individual cannot "hold" a room for a group, and any individual found occupying a group study room must vacate it if a group arrives.

- **Smart Study Rooms**: Five of the group study rooms have a 65-inch flat screen monitor and AirServer unit to transmit from mobile devices to the monitor. Thank you, VETI!
- **NEW! Meeting/Collaboration Room PL-111**, next to Starbucks, seats 14 and supports videoconferencing.

Individual Study Rooms: Ten are available on the 4th floor. All but one have electrical outlets.

Reservations
All rooms may be reserved in advance except PL-503, which is a shared Multi-Group Study Room with several tables and whiteboards.

Make reservations at [https://www.csusb.edu/library/services/reserve-study-rooms](https://www.csusb.edu/library/services/reserve-study-rooms)
