

RETURN OF THE PACK

BEFORE YOUR RETURN

VACCINATION

Vaccination is the first step in ensuring a safe campus. You can get a vaccination appointment at <https://myturn.ca.gov/>.

All faculty, students, and staff are required to be fully vaccinated and have completed their online self-certification no later than **September 20, 2021**.

Complete your COVID-19 self-certification in myCoyote **NOW** to avoid unnecessary COVID-19 testing.

TRAINING

Prior to returning to campus you are required to complete COVID-19 training.

- Employees (including student employees) access via CSULearn at <https://bit.ly/2TDxc6e>.
- Students access via Student Learning Bridge at <https://bit.ly/371162E>.

WHEN YOU COME TO CAMPUS

SCREENING

Conducting a daily health screen to ensure that you are healthy and well prior to reporting to campus is important in keeping our community safe. Prior to coming to campus complete the daily health screen on myCoyote.

FACE COVERING

While physical distancing is no longer required, wearing a face covering indoors on campus is required regardless of your vaccination status. Help keep everyone in our community safe by wearing your face covering.

TESTING

Mandatory testing is required for all unvaccinated faculty, students and staff accessing campus facilities.

Testing is free to campus community members and will be offered on the Palm Desert and San Bernardino campuses.
